Our Commitment To Excellence

The strategic plan (2023-2026) outlines how Council, Leadership and Staff will focus on quality teaching and learning and excellent pastoral care within a safe, Christ-centred community as we complete our building projects and reach a student capacity of approximately 1350 students. This strategic approach will maintain and reinforce our excellent reputation as the College of Choice in our region. Our goal is to ensure that Wollondilly Anglican College continues to excel in each of these key themes.

Key Themes

The following strategic themes have been identified as the College focus for the next four years:

LEARNING:

We will provide high-quality teaching in every classroom, and in every lesson so that all students experience consistently high levels of academic growth.

CARE:

Our aim is for every student to be cared for, feel connected to teachers and peers, and experience the safe, loving community that Jesus calls us to provide.

CULTURE:

We will support all staff and students, within a Christ-centred community, to achieve and contribute to the continued high expectations of the College

Learning

Our ongoing pursuit for excellence in Teaching and Learning:

- Students will understand God's plan for humanity (Creation, Fall, Redemption, Renewal)
- All teachers will continue to provide outstanding lessons using the Explicit Instruction approach.
- We will see ongoing improvements in; external and internal academic benchmarks, student engagement, and commitment to excellence in their own learning.
- There will be high levels of understanding of Explicit Instruction amongst the broader Wollondilly community (Parents and Students)

Care

Our ongoing pursuit for excellence in Pastoral Care:

- Students will understand God's plan for them as an individual
- Every student is cared for, valued and known
- All students can identify people within the College that care for them and know them well
- All students are connected to a supportive, friendship group
- All students are connected to an extracurricular group
- We will see ongoing improvements in positive interactions between students (classroom, and playground)
- Our students and parents speak positively about their school experience; students enjoy coming to school

Culture

Our ongoing pursuit for excellence in behaviour and expectation:

- All staff are aware of, and reinforce, the cultural markers that define a Wollondilly education
- All students articulate, demonstrate and reinforce the high expectations of the College
 - Servant Hearted, Caring, Respectful
 - Pursuit of Excellence
 - Personal Presentation (uniform)
 - Purpose Driven
 - Motivated Learner
 - Self Regulated
- Respect for the Christian Ethos
- The College is characterised as a Disciplined and Orderly Learning Environment
