INFORMATION FOR APPLICANTS

ABOUT THE COLLEGE

Wollondilly is a co-educational Christian College operated under the auspices of the Sydney Anglican Schools Corporation and governed by a College Council.

In 2004, 136 students were enrolled on day one from Years K-7. The College rapidly began to enjoy a reputation in the local community as a preferred institution of excellence in Learning, Care and Culture. Growth currently continues to exceed expectations. Now, the College has a student population of approximately 1300 from Pre-Kindergarten to Year 12 and has consistently been one of the fastest-growing independent schools in New South Wales.

EDUCATIONAL PHILOSOPHY

Wollondilly Anglican College is founded on a Christian philosophy of education and is strongly supported by local congregations. Staff, likewise, have a commitment to actively supporting local churches.

The College is renowned as a Christ-centered, disciplined learning environment where meeting the academic, spiritual, social, creative, physical and pastoral needs of students, staff and the College community is both a central feature and continuing priority. It will remain as accessible, Anglican, T-12, co-educational and comprehensive.

A strong focus on pastoral care at the College serves to build, reflect and support a sense of family. Discipline problems are minimised by a proactive focus on developing a sense of self-worth and respect for others, enabling each student to proactively engage life and the workforce with confidence, rather than respond defensively to situations and events.

The learning environment emphasises the technological and research skills necessary for information gathering and promoting a love of learning. Curriculum determination, assessment and reporting policies are reflective of the abilities of the students, the expectations of the College community, the parameters determined by the NESA and consideration of the balance between predetermined funding constraints with the provision and continuance of diverse alternatives. Whilst pursuit of excellence is determined for each student according to his or her own God given gifts, the College also has a strong focus on academic results. Students have achieved National and International recognition in Academic disciplines, the Creative and Performing Arts and Sport.

Parental and staff involvement in fundraising and working bees is encouraged by an active P&F. A regular system of open communication has been established, including a student diary, weekly newsletter and parent information evenings. The College is an integral part of the local community through the initiation and nurture of strong links with the media, business leaders, political representatives, local and regional Anglican churches, churches of other denominations and community organisations.
