THE WARATAH WEEKLY

Begin with the End in Mind

Farewell Everyone. I will miss you all

2004

2020

I know it is a few months away but you are invited! - I would love to catch up with you at the Farewell at Wests Leagues Club - 21 November 2020

God bless you!

OUR HEADMASTER 2004 - 2020

OUR HEADMASTER 2004 - 2020

FROM THE DEPUTY'S DESK

Thank You Dr Quarmby

Dr Quarmby has been the Foundation Headmaster of Wollondilly Anglican College for 17 years. His career in education spans 38 years. Today we honour him as our Foundation Headmaster, for his significant contribution to the College and the legacy that will remain following his retirement.

A number of students remember having their interview with Dr Quarmby where he asked what Footy Team they supported and offered them a lolly from his lolly jar. Below are some samples of student thoughts:

Good friend of my parents and is very talkative and is always up for a chat and handshake.

When I first came here in Year 5 he really helped me settle in and learn to just have fun and trust in God which really helped me at the start.

He is a great Headmaster. He will be dearly missed! For the little time that I have known him, he has been very nice and so friendly to all the students. He made this College a great place to be at and made it what it is now. WAC has become a great College and one of the best. Thank you for the great experience you have given me.

At my interview for the College, he asked what football team I supported and I said "Bulldogs" and he laughed and said good luck getting into this College, ha ha. Then he showed me his Tigers Jerseys and he said he thought they are the superior team. He still accepted me in to WAC.

Dr Quarmby started enrolling students in Term 2 2003 even before he was actually employed. With the College's commencement in 2004 he had personally interviewed the families of 217 children for K-7. In that first year there were 17 staff including him. Today only three of those Foundation staff remain at the College with him - Mr Schroder, Mrs Richards and Mrs Clark.

Over the 16 years Dr Quarmby and I have worked together we have developed a friendship that I believe will be enduring. During this time, I have relied on his wisdom and support and I have learned a great deal from him. My admiration for his qualities and what he has achieved for the College and this community is immense. He is a visionary leader who has explicitly communicated the Christian Purpose of the College as part of the College's five Distinctive characteristics. He has always remained faithful to God and his leadership has focused on the main game - bringing the students and parents in touch with the Gospel, the importance of having a relationship with Christ and providing a quality Education within a Christian Framework for our students.

He has developed and authentically led the College with this vision through careful planning, collaborative decision making, care and compassion for the staff, students, parents and the wider community.

The College has grown to its current state from an old farm and orchard with a dilapidated farmhouse and an old train carriage on the property. It is located where a school should never have been built because there weren't enough people living in the area. The property has a mine across the road, a poultry farm next door and very few houses nearby. The College has become, as Dr Quarmby likes to say to everyone 'one of the fastest growing independent schools in NSW'. There are now 1115 students from Transition to Year 12 and 106 staff. We have state-of-the-art modern classrooms, fast broadband access, space and playing areas that are the envy of many other schools.

To be the Foundation Headmaster for a new College is an awesome responsibility. The demands of the role require a huge commitment of time and energy as well as great wisdom. Every decision that a Headmaster makes influences the lives of staff, students and parents. From the Master building plan, the staff employed, the students enrolled, working with government authorities and the Anglican Schools Corporation. To grow our College to where it is today is an amazing achievement. However, Dr Quarmby would be quick to point out with humility, that has been under God's guidance and the support of many people.

FROM THE DEPUTY'S DESK CONTINUED...

Dr Quarmbly's vision for the College - is 'For Christ's Glory'. It honours God. God's hand is in all that is achieved. Psalm 127:1 *Unless the Lord builds the house, its builders labour in vain.* This bible verse appears on the back of the Waratah Weekly each week. It is Dr Quarmbly's recognition of this that our College is richly blessed under the hand of God. However, God uses people to do great things and Dr Quarmbly has been the instrument to establish a new College and develop the culture that exists today and which will continue in the future. Our three Themes of Excellence, Endurance and Eternity, our five Distinctives, the College Crest, College colours, uniform, the College Prayer, our five sporting Houses, our buildings and the names of our classes were all established and developed by him in the early years.

There were many hurdles to overcome in the early years. Building the College's reputation for excellence against a backdrop of new buildings, economic downturns, managing student enrolments and the need to employ quality Christian staff to teach the additional classes were among those challenges. All this had to be managed while meeting tough financial targets and paying down the debt on the buildings that we needed for our growth. There are many occasions in delivering his vision that Dr Quarmbly's plans were rejected. The Flynn Collegiate and the WACA are just two examples of this. However, with prayer, persistence and a dogged determination he went about finding solutions to the problems to achieve the outcomes that he thought were the best for the College.

Of course while the buildings and structures are important, it is the people that are the highest priority. A key aspect of Dr Quarmbly's servant leadership has been to build relationships within the College, the local and global community and employ committed staff who have willingly followed his vision. Our Working Bees, P&F charter, Country Fair and Family Chapels have largely been about building a sense of community. Our involvement in ANZAC Day commemorations, the Thirlmere Festival of Steam, WAC Kids Care, Arnhem Land and Vietnam Mission Trips, the relationships with our sister school in Germany are all examples of establishing links beyond the gates of our property.

Dr Quarmbly's vision has included providing an environment for students to pursue excellence in their learning, through sport, creative and performing arts as well as the many other opportunities for our students. He will leave an amazing legacy and he has influenced the lives of so many people in this community. Since 2004 he has influenced over 2370 students, 1700 families and employed 186 staff. Part of his vision was to convert people to support the Wests Tigers. While I am not sure how that met a vision of pursuing excellence, it did reveal his passion and enthusiasm for Rugby League and even greater passion for the College.

We are still deciding what to do with the Wests Tigers shrine in his office.

What can our students learn from Dr Quarmbly's example? They can learn that if you have faith in God, establish a vision with clear goals, plan carefully and use the skills of the people around you, challenges can be overcome and great things can be achieved.

I think if you ask him what he will miss, he would say he will miss the people the most. The students, the staff and the parents in this community. I know he is finishing with a sense of sadness but there is probably a sense of excitement too with what lies ahead.

Dr Quarmbly on behalf of the staff, students and parents of the College we thank you for your years of leadership and service. We wish you and Mrs Quarmbly rich blessings for your retirement and the many opportunities ahead of you both as you move into a new chapter in your lives. We will miss you but you won't be forgotten.

Numbers 6: 24-26

May the Lord bless you and keep you; the Lord make his face shine upon you and be gracious to you; the Lord turn his face towards you and give you peace.

FROM THE DEPUTY'S DESK CONTINUED...

Dr Quarmby - Fun Quiz

- 1. Name 2 other schools where Dr Quarmby has worked before WAC?**
Elderslie, Picton High School, Broughton Anglican College
- 2. What is Dr Quarmby's teaching specialty?**
Science Teacher - Physics
- 3. What is the College motto on the badge?**
For Christ's Glory
- 4. List the three themes of the College (Hint: all begin with E)**
Excellence, Endurance, Eternity
- 5. List the five 'Distinctives' of the College.**
Christian Education, Towards Excellence, Pride in Belonging, Community Engagement and Involvement, Education for Life (a Second Education).
- 6. The College Colours are Black, Green and White. What does each colour represent?**
Black - from the Coal Industry, Green - for the local Olive Farms, White - for the White Waratah.
- 7. Name the College Mascot.**
Wolly the Wombat
- 8. What is the number plate on Dr Quarmby's car?**
Wolly 1
- 9. Which NRL team does Dr Quarmby support?**
Wests Tigers
- 10. Who was the well-known politician who officially opened the College in 2004?**
The Prime Minister John Howard.
- 11. Name the first buildings to be constructed and opened at the College.**
There were two: Gumnut Cottage. (It is now called White Cottage) and Sturt.
- 12. What is the official name for the front Playing Field?**
The Winning Field. Why was it called this? The property was owned by the Winning family.
- 13. Dr Quarmby loves to use acronyms to name places, roles or activities. What do the follow letters stand for:**

WACA	Wollondilly Anglican College Arena
WASP	Wollondilly Anglican Sports Performance Academy
EDGE	Excellence and Distinction in Gifted Education Academy
SLIC	Secondary Learning Innovations Coordinator
PLIT	Primary Learning Innovations Teacher
- 14. All the classroom buildings and the College Administration building are named after people. What do they all have in common?**
All named after Christian pioneers.
- 15. When the College opened in 2004, approximately how many students were there and which Year groups were enrolled.**
There are 217 students from Kindergarten to Year 7.
- 16. Estimate how many students have attended the College over the last 17 years and how many staff have been employed.**
There are 2370 students and 186 staff.

Mr Ian Croger
Deputy Headmaster

TEACHING AND LEARNING 7-12

Dogs on College Grounds

We have been made aware that there have been a number of incidents in which parents have brought dogs onto the College grounds. While it is nice for students to be greeted in the afternoon by their canine companions, under the Section 14 of the *Companion Animals Act (1998)* dogs are prohibited on school grounds except where the principal gives permission. Dogs would only be given permission for a specific educational purpose. Please support the College in our legislative requirements by not bringing dogs onto the College premises.

HSC Minimum Standards Tests

Given the disruption to the Term, we have made the decision to hold off completing the minimum standards tests until Term 3. Mrs Evans and Mr McIntosh will coordinate these tests in the first few weeks of the Term. If students are unsure if they are required to complete any of these tests, they should login to their NESA Students Online account.

Year 12 HSC Trial Examination Notification

Year 12 students received their Trial HSC timetables and instructions this week. Students are asked to read this carefully and put the timetable in a safe place. Mr Denley will email a digital copy. The examination procedures are outlined on this document and closely mimic the expectations in the HSC.

Mr Paul Burns

Director of Teaching and Learning 7-12

APPLICATION FOR ENROLMENT

Applications continue to pour in for 2021 and beyond, across all year groups, but especially our entry years of Transition, Kindergarten, Year 5, Year 7 and Year 11.

All current College families looking to enrol siblings for the coming years are encouraged to do so without delay to avoid disappointment.

Enrolment packs are available from the College Office or from the College website www.wac.nsw.edu.au

Mrs Kristy Biddle

Enrolments Officer

P&F Clothing Pool

The Clothing Pool is open on the following days from 7.45 am to 8.30 am. If you have any enquiries, please contact Melissa on 0415 402 013.

PASTORAL CARE T-12

Sign Out Process for Students

The College has very clear guidelines regarding students using either mobile phones or devices to contact their parents during College time. The guidelines are regularly discussed with students and there are clear consequences as part of the student guidelines that reinforce the actions that take place if students breach these expectations.

To assist maintenance of these expectations parents are reminded also of the process so that all members of our College community are aware and adhering to these procedures.

In the area of students leaving early from the College the following processes should be followed:

- A note should be provided in the diary of the student indicating the time and reason for the student leaving early. Example Medical Appointment 10.30 am leave.
- This note should firstly be presented to the student's teacher and then provided to the Office Staff in Student Reception, prior to completing the sign-out process.
- This will demonstrate appropriate following of the procedures and assist Office Staff to complete the process and locate students in a timely manner.

Students should not:

- Contact their parents via phone or device during the College day for any reason. If they have a concern or an issue has arisen, they should speak firstly with their class teacher, Year Patron or Pastoral Care Coordinator. If the staff member feels that the matter requires contact with the parent, the staff member will make this contact on the student's behalf.
- Present at Student Reception requesting Office staff to make contact with parents regarding equipment items that have been left at home. Students need to ensure that they are organised and bring the necessary equipment.

Parents should not:

- Turn up to collect their child without previously completing the above processes. Instances like this indicate students are not following the appropriate procedures and will result in the student receiving a Formal Detention.

Contact with parents by students who do not follow the appropriate procedures can cause considerable angst for parents, as they have not followed explicit direction of the College guidelines and in many cases is unnecessary. Staff awareness and involvement in the process will be able to address the concerns in the majority of matters.

By following the above approaches students and parents can support staff at the College in such matters.

Mr Liam Toland

Director of Pastoral Care T-12

Term 3 - Students return Monday, 27 July - Week B

A new timetable for Secondary students will be operating due to staff changes and new rotations for history, geography and mandatory technology. Students can access their timetable in Edumate the week before the above return date.

PASTORAL MATTERS - SENIOR YEARS 9-12

WAC Student Wellbeing Newsletter

Each fortnight, students in Years 7-12 receive an email at the start of the week, which provides them access to a range of wellbeing resources.

This week's highlight...SPEAK UP!

Flynn Noakes and La-Mia Crinis (Year 12 students) share with students the importance of showing courage, finding your voice, speaking truth and ultimately contributing to positive change. This includes knowing one's rights and responsibilities, understanding and appreciating one's unique personality and set of values, and reaching out to others when friendship and support is required.

For more information about the student newsletter please contact: e.madden@wac.nsw.edu.au or s.houweling@wac.nsw.edu.au

Student Leaders Assembly Presentation: Bella Norman and Matthew Grima (College Prefects)

Coronavirus has certainly made 'Community Service' a challenge. But what we have realised is that community service isn't just turning up to things. It's more about being a face in the community. Being kind and showing compassion to others, that might not necessarily involve doing physical activities within the community. So we have come up with ways that you can show random acts of kindness within the community, which may just make someone's day. Some of these include: be a good listener, SMILE, hold doors open for people, give an honest compliment to someone, offer to help someone, say 'THANK YOU'. These simple acts can really make a difference in someone's day.

Year 12 Prayer Buddies

This week Year 12 students visited classes from Transition to Year 4 as part of the College Prayer Buddy Program. Students had the opportunity to introduce themselves to the classes and share something unique about themselves. Throughout Term 3 the various classes will pray for their Year 12 Buddies as they face their final exams and make preparations for Graduation. There will be further opportunity for Year 12 to re-visit the classes and establish a stronger connection with the younger students.

Senior Chapel Service

The Senior Chapel Team prepared and delivered a one-of-a-kind term service during Week 9. Streaming live from one location to classrooms throughout the College certainly added a unique vibe, which complemented the main theme of 'IDENTITY- what's wrong with just being YOU?' Students participated in a 'Who am I?' Staff photo guessing competition, watched an acoustic performance from the Chapel Team Band and heard from a panel who shared their experiences, perspectives and understanding of what is communicated through the Bible about aspects of Identity- that it **is shaped, is a choice, is a gift**.

Senior Chapel is developed and run by students for students. Students interested in joining are encouraged to have a chat with Mrs Madden or one of the students currently on the Chapel Team.

MISA Youth the Year Competition

This event will take place on Wednesday, 26 August, 2020. Year 9 students have been informed about this fantastic opportunity to express their awareness and understanding of current affairs at a local, national and international level. An Expression of Interest form has been sent to their student email address and they are encouraged to fill this in by Friday, 31 July (end of Week 1, Term 3) if they wish to be selected to represent the College at this competition.

Mrs Emily Madden

Pastoral Care Coordinator 9-12

FAREWELL MR HICKS AND FARWELL/HELLO MRS CROGER

Mr Hicks (2006-2020)

We are sad to receive the news that Mr Tim Hicks has decided to resign from Wollondilly Anglican College at the end of the year. Tim has been a faithful servant here at the College for 15 years. He was a great encouragement in the early days when our resolve to provide our students with highly accomplished Christian teachers was tested through the difficulties then of finding Maths Staff. Under his leadership, the Mathematics faculty at the College has worked hard to produce excellent results for our students.

When he was first appointed, in the early years of the College, Tim was responsible for leading Mathematics, Science, TAS, PDHPE and Christian Studies Departments. As the College grew, Tim was able to focus on his academic passion - Mathematics. Some of you will have fondest memories of Tim in the role of a Christian Community Liaison person and his care and support for our families in times of need. Other families will recall his energy and enthusiasm as an active Award Leader in the Duke of Edinburgh Award program where he has volunteered his time to participate in the hikes and camps over the last 15 years.

In 2021, Tim will be stepping out of the boat and relying on God's leading. He plans to work at helping people, particularly men, live as disciples of Jesus. We are certain that God has great things in store for Tim.

Mr Hicks in 2006

Mr Hicks in 2020

FAREWELL MR HICKS AND FARWELL/HELLO MRS CROGER

Mrs Croger (2006-.....)

We are also sad to hear that at the end of 2020, Mrs Croger will be stepping down after 15 years of leadership of the English Faculty. Wendy is an award winning educator who has attracted very high calibre leaders from other schools who wished to serve with her in the English Faculty.

When she was first appointed, in the early years of the College, Wendy was responsible for leading English, Humanities, Creative Arts and Language. As the College grew, Wendy was able to fully focus on supporting the English Staff and curriculum. Wendy has driven the Debating and Public Speaking program at the College where our students have achieved outstanding success winning as HICES Debating Champions on three occasions. She has also been responsible for initiating and coordinating the Peer Roll Call Reading Scheme at the College as well as the HSC Study Camp which has run at the College during holiday breaks for Year 12 students over the last 12 years.

She will not be lost to the College. In recent years, Wendy has continued to study and to follow a passion for improving the literacy skills of those students who find such learning a challenge. In this regard, the College Headmaster was delighted to announce to staff that Wendy has agreed to continue part-time in 2021, assisting students with literacy skills.

Mrs Croger in 2006

Mrs Croger in 2020

PRIVATE MUSIC LESSONS - TERM 3 2020

Parents now is the time to start thinking about enrolling your child into our amazing Music Program at the College. Limited spaces are available for one-to-one tuition through our Peripatetic Music Tutor Program.

Enrolment forms are available through the Office and I encourage you to take advantage of this great opportunity to help your child enhance their literacy and numeracy capabilities by studying a musical instrument.

If you are not certain what instrument is best for your child, please book an appointment with Mr Denley to ascertain which instrument may suit them best

Students in Years 3 to 6 have an amazing opportunity to learn through our Strings and Band Program and if your child has shown promise in this program now is the time to further enhance their talents by moving to one-to-one lessons.

Be interesting; challenge yourself and develop skills that will last you a lifetime. Learn an instrument today.

If you would like more information about this program, please email Mr Denley at s.denley@wac.nsw.edu.au or call on 46230226.

Mr Simon Denley
Creative Arts and LOTE Coordinator

UPCOMING EVENTS

There are many opportunities coming up. If you have any questions, please do not hesitate to email me.

Engineering Your Future

This is an Engineering event for students in Years 10 to 12 occurring during these coming holidays. Further information can be found at:

<https://www.engineersaustralia.org.au/sites/default/files/2020-06/Engineering-your-future.pdf>

2020 Plane Challenge from STANSW Young Scientist

This challenge is open for all students from Kindergarten to Year 12. The challenge involves the longest airtime and the furthest distance.

Further information can be found at: <http://www.paperplanes.youngscientist.com.au/>
Entries close on 28 August.

ICAS Competitions

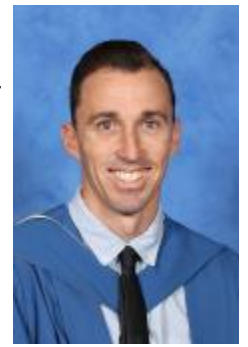

These competitions will be happening during Term 3. If you are interested in participating please let me know by the end of this week (3 July) for Science and by the end of Week 1 for English and Mathematics.

The WAC Pentathlon continues. Further information can be found on the 7-12 Student Resources page on Canvas.

Mr Stuart McIntosh
Advanced Learning and Learning Support Coordinator T-12

SECONDARY SPORT

WASP - Wollondilly Anglican Sports Performance Academy

A reminder that permission notes and payments **MUST BE RETURNED** by the end of Term. Numbers are filling fast in all three sports (Netball, Soccer and Running). Each student will receive a WASP Water Bottle and Training Shirt that is to be worn each week.

We currently have our female shirts ready to go from the Uniform Shop in the Administration Building but the male shirts have been delayed. These will be arriving in the holidays, ready for collection at the start of the Term 3 programs.

MISA Teams

All Term 3 MISA teams have now been selected. It was great to see over 170 students trialling over the past two weeks which made the selections difficult in some sports. Students have now been emailed the team lists.

Students in AFL and Rugby League will need to return their signed permission notes before the end of Term, as well as purchase any necessary equipment, such as mouthguards, if required. Teams with MISA uniforms will have them distributed either before the end of Term or on day 1 Term 3, ready for their first match in Week 1.

Term 3 Tuesday Sport

Next Term our Tuesday sport program will return to a somewhat normal running. Students not involved in MISA must register for a sport before the end of Term 2 otherwise they will be allocated to a sport. Registrations are taking place at lunchtimes for specific Year Groups.

If a student is away that day, please contact myself with your top preferences and if space is available you will be added. Also, please do not ask to swap sports. Make your selection carefully as you will be completing that sport for the entire Term.

Mr Mark Goldsbrough
Secondary Sports Coordinator

Upcoming Events (Term 3)

WASP Academy begins	Wednesday, 29 July
NASSA Soccer (Boys)	Thursday, 6 August
NASSA Soccer (Girls)	Friday, 7 August
NASSA AFL	Monday, 24 August
NASSA Basketball	Thursday, 3 September

Match Reports

The Blue banner of Sollya flew highest at the conclusion of the WAC Primary Sport competition. The Bluebells emerged comprehensively triumphant, winning three of a possible four sports competitions. Well done Sollya.

In the Netball competition, a spirited Wollemi emerged victorious in a grand final that saw the Greenies collide with the defensive juggernauts, Skye Neave and Emily Benad. Despite the Maginot defence of Teloepa, the Reds were unable to quell the insistent attack of a Wollemi spring-boarded by the utilitarian skills of Matilda Parry and Aillie Carroll. Sollya settled for 3rd place, overcoming Grevillea 13-11. A swag of buckets by dead-eye goal shooter Ruby Palenzuela helped the Blues out-gun an ever-improving Grevillea, despite the defensive escapades of Annie Williams.

In Soccer, the day belonged to the Blues, with Sollya defeating Wollemi 5-2. Like General Custer, Les Vidal and James Carpenter made their last stand, but to no avail. Sitting Bulls, Xavier Neale and Lachlan Malcolm were able to overwhelm the Greens with superior passing and energy. Old chieftain Aaron Pile proved the deadliness of his aim by bagging a goal to assert Sollyan supremacy for another year.

A mournful Acacia Gaol side was left imagining what might have been. The Golds consistently set the benchmark throughout the competition, finishing with the most competition points. However, this counted for very little in their encounter with a pugnacious and reckless Sollya. The score was 2-0 in favour of underdogs Sollya. The Machiavellian scheming of Sienna Losciuto and Tameka Den closed down the contest for the Warriors of the Wattle. Chris Su desperately searched for chinks in the wall of Blue, but found barely a foothold. Defender Sienna Farrugia watched with the rest of her teammates as the hopes of Acacia were scattered like the golden treasures of Troy.

In a game of two halves, a resurgent Sollya proved their mettle in a come from behind victory over Grevillea to claim 1st place in the Oz-tag competition. Initially, the Maroons seemed they were going to pull-off the unthinkable, quickly seizing a two point lead on the back of the unpredictable attack of young Caesar Hemi-George McDonald and Ashton 'The Cleaner' McCabe.

However, Sollyan Olivia Carter took it upon herself to dash the hopes of a Grevillian fairytale, snatching two tries and orchestrating a third, spoiling the Maroon 'happily ever after.'

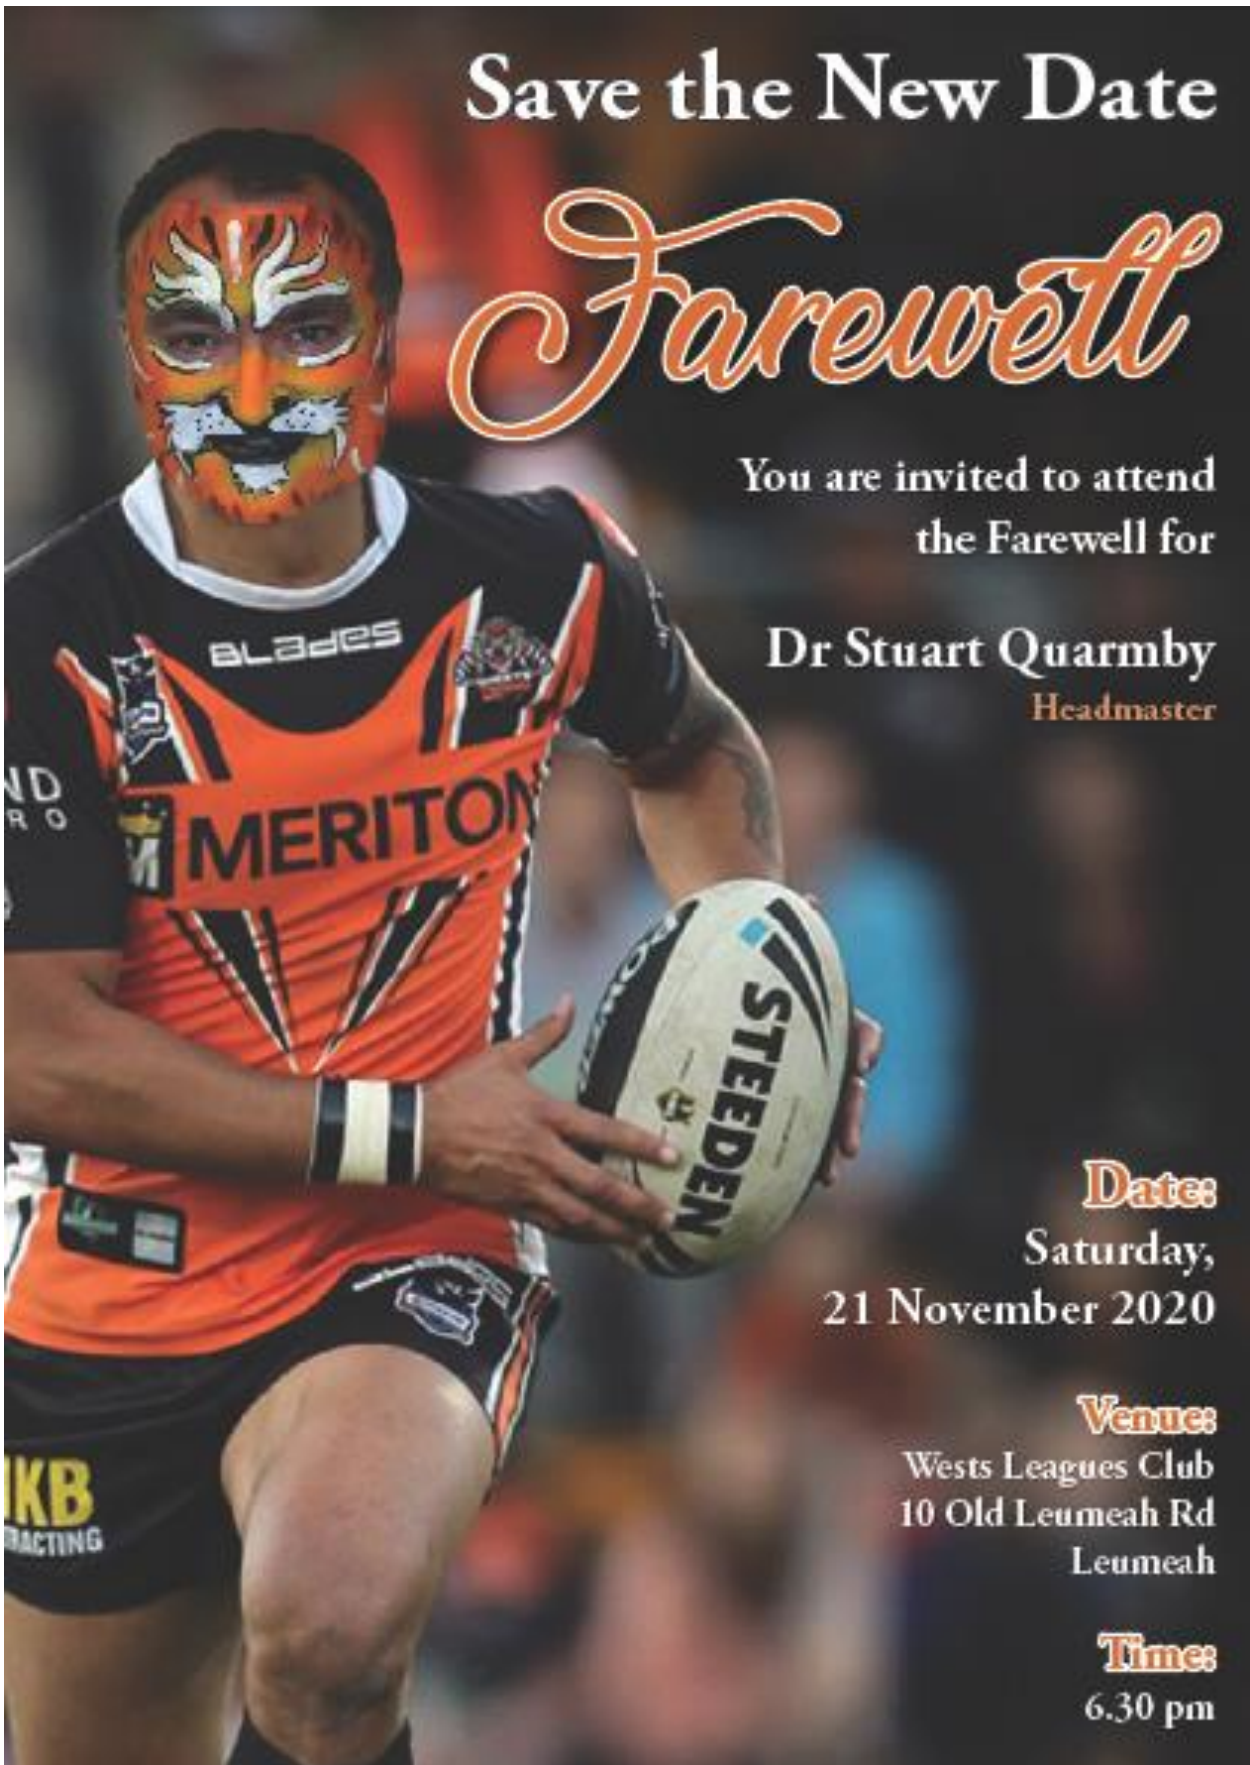

Mr James Gooden
Primary Sports Coordinator

SAVE THE DATE

Dear Parents

Dr Quarmby's Farewell Formal Dinner has been postponed to Saturday, 21 November. More details on how to book tickets will be available in coming weeks.

Save the New Date

Farewell

You are invited to attend
the Farewell for

Dr Stuart Quarmby
Headmaster

Date:
Saturday,
21 November 2020

Venue:
West's Leagues Club
10 Old Leumeah Rd
Leumeah

Time:
6.30 pm

COMMUNITY

- **WAC Kids Care**

From time to time, families undergo trauma such as severe or terminal illness. There are short term **support structures in place at the College to assist families** during these times. The WAC Kids Care Program offers support to families in the way of meals. Please contact Mrs Hay or Mrs Rockwell at the College. Confidentiality will be respected. The College is accepting food donations towards the WAC Kids Care Meals Ministry. Please see the list below:

WAC Kids Care

If you would like to practically support the WAC Kids Care Program, you are able to contribute food goods at any time.

The following items are very helpful when preparing meals:

Rice, Pasta, Noodles and Lentils
Tinned Vegetables eg Kidney Beans, Corn and Tomato
Sauces eg Passata, Sweet & Sour and Curry bases
Stock - Chicken, Beef, Vegetable
Flours + Gluten Free
Tinned and dried fruit
Eggs

A basket is located at Student Reception. All donations need to be within their **use by date**. Wish Cards or cash are also welcome which can be handed directly to the Office Staff. .

Thank you to everyone supporting this ministry as we serve our Community.

Mrs Lisa Rockwell
WAC Kids Care Organiser

- **Annual Arndell Equestrian Carnival 2020**

When: Saturday, 15 August

Where: Hawksbury Sportsgrounds

More info, please visit www.nominate.com.au

Please note that the above is a service to the Community and items advertised do not necessarily carry the endorsement of the College. The College tries to be selective with what is advertised but cannot take responsibility. Please look into events advertised carefully.

2020 Country Fair Update

Our P&F and Country Fair Committee along with the College has made the hard decision to cancel the 2020 Country Fair.

This decision was made based on the current climate in regards to COVID-19 and the difficulty in trying to find a date later in the year that would not clash with other events and also the uncertainty of the regulations.

We would like to thank our Sponsors, Stallholders, Staff, Students, Parents and Community for the Support over the past 16 years of our Country Fair, and we look forward to bringing you an amazing Country Fair for 2021.

Save the date in your diary for Saturday, 11 September 2021.

Stay Safe and well everyone during these uncertain times.

PRETEND HEADMASTERS

Pretend Headmaster - Ryan Grzasko (KF) thanking Grandad for building WAC to be such an amazing College from the ground up. Ryan and Grandad are SUPER excited to be able to spend more time together cheering on the Tigers now that Grandad will be retired.

Prayer Points

Please thank God:

- For the privilege of being His Light-house Keeper for a season

Please ask God:

- That this College may always be a place upon which His blessing rests

Psalm 127:1 Unless the Lord builds the house, its builders labour in vain.

Excellence, Endurance, Eternity.
