

## THE WARATAH WEEKLY

### *Endless is the Victory*

It was the second day of our Duke of Edinburgh's Award expedition. A group of Silver and Bronze level students had hiked down to the Shoalhaven River near Bungonia (not far from Marulan). Ahead of us was a steep four kilometre hike out of the valley to finish the expedition. During our Sunday devotion, I had delivered a 'team' talk to the students regarding safety and about the challenges they would face during their ascent to the top. The group then headed up the track with some of the staff and I was at the rear to ensure everybody was ahead of me and that no one had taken the wrong track.

Within 100 metres I came across a Year 9 student who was sobbing. Through the tears and the sobs I discovered that *'she couldn't possibly continue, it was too hard and that I should just have to leave her there'*. After explaining that I couldn't do that and she was too heavy for us to carry her out, she suggested I call the rescue helicopter. She assured me her parents would be willing to pay for the helicopter.

My earlier 'team' talk focused on the challenges of the hike being similar to the challenges we sometimes face in real life. At times we feel overwhelmed and unable to deal with situations - it all seems too much. I explained that a steep climb can seem overwhelming and that it is a mental battle as well as a physical battle to complete. The advice to remember is to set smaller achievable goals (small steps), push through - 'Just Do It' (I call it the Nike principle) and gain support from the people around you.

I had linked my talk to the devotion, suggesting that in difficult situations we can ask for help and we are rarely alone. In many cases the people that can support us are parents, other family members, teachers and friends. They will walk with us in difficult times. I informed them that Christians believe that Jesus also walks with us. If we accept him into our lives, then He is with us in good times and in difficult times. The problem is we often will only talk to Him when we need help.

Prayer is a powerful way of communicating with God. We may think our prayers will go unanswered or find that the answer we receive is not what we expect. We don't always understand the bigger picture of God's plan. Nevertheless, great comfort and strength can come from prayer, the sense that we are not alone and there is someone with us during the difficult times who can share the load.

We didn't need to carry her or call the rescue helicopter. After a short rest and a reminder about my 'team talk' we decided to start together. She was able to complete the hike by:

- Setting achievable goals - we would identify a tree, rock or some other feature 100 metres or so up the track and walk to that point, then pick another feature and walk to that. Small steps and breaking down the huge hill into manageable sections.
- Encouraging her to push through the difficulties and realise she was making progress.
- Sharing the load. We didn't pray this time but re-distributed her tent to my pack. We walked together. Some way up the hill she caught up with a group of her friends, who were also struggling, and she completed the hike with them. They supported one another - a shared experience.

Her sense of achievement, fulfilment and relief after completing the hike was huge. She was really pleased that she was able to overcome the challenge and finish.

The Duke of Edinburgh program teaches students unique skills, encourages self-sufficiency, develops resilience and shapes the character of participants. These are all part of life lessons and part of the 'Second Education' we offer at the College.

**Dr Quarmby returns next week and I will be taking five weeks Long Service Leave.**

**Thank you to Ms Huxtable who will continue in her role as Acting Deputy Headmaster and to Mrs Reid who will continue in the role of Acting Director of Teaching and Learning T-6.**

The following is important information about the day:

- All students are to wear their Sports Tracksuit and House Shirts to the College on Foundation Day.
- Students are asked to make a \$5.00 donation or \$10.00 per family to support various missions.

# COLLEGE PHOTO DAY - THURSDAY, 6 JUNE

## College Photo Day - Thursday, 6 June

The College Photo Day for Transition classes Tembo and Twiga (class group photos and individual student photos only) is on Wednesday, 5 June and photos for the rest of the College is on Thursday, 6 June.

All students should now have received their Photo envelopes, if you have not received an envelope for your child please contact the office.

Please complete an online order for all student photos. Students should keep photo envelopes at home but **MUST** bring their envelope with them on the College Photo Day. Sibling photo envelopes are available to be picked up from Student Reception, strictly sibling photos only, no friend shots will be allowed on the day.

Please ensure that uniforms are up to scratch, buttons are for sale at Student Reception.

## The School Photographer - Frequently Asked Questions

### Q. When do I return the photo order form?

All students need to bring their photo envelope to the College on **Thursday, 6 June**, the day of the photographs.

### Q. I've lost my envelope. What should I do?

You can still order online without an envelope. Just use the College's Online Order Code (X1720PSB40W) and enter this into the website to place an order. You will also be prompted to enter your child's details. Just print the receipt and bring it on Photo Day instead of an envelope.

### Q. My child forgot to hand in their envelope. What should I do?

ALL students are photographed on the day so you will not miss out.

If you have already paid online, it is not a problem. We have a record of your order and you will receive your photos when they are delivered to the College. Keep the envelope at home with the receipt number written on it as a record of your order.

If your envelope contained cash, then it is too late now to pay by cash. You can still order and pay online using the code on the envelope. If it is within three weeks of photo day, your photos will be delivered to the College with the College's main delivery. After this time, it will become a 'late order' and will be delivered to the College within a month from ordering date.

### Q. HELP! It's photo day and I haven't ordered yet!

Parents can use our online ordering system to purchase photos up to a week after Photo Day.

ALL students are photographed on the day so you will not miss out.

Sibling photos **cannot** be ordered after Photo Day.

Sibling photos can be ordered online up to 8.00 am on the day of photography.

Between 8.00 am and 10.00 am on Photo Day a sibling photo can still be ordered but only using a cash envelope (available from the College office). The students must be sure to present themselves when sibling photos are being taken - **(Surnames A-L at recess and Surnames M-Z at lunch)**.

### Q. Can I still order and pay for photos after photo day?

Parents can use our online ordering system to purchase photos up to a week after Photo Day.

There is no need to return the envelope if you order online after Photo Day.

ALL students are photographed on the day so you will not miss out.

# TEACHING AND LEARNING 7-12

## Wollondilly Educational Framework

In week 5 I unpacked the centre of the Wollondilly Educational Framework, the need for students to be purpose driven. This week I will explore what it means to be a Motivated Learner.

### Motivated Learner - Learning

The core business of the College is Teaching and Learning. With this in mind our Educational Framework places a high importance on developing motivated learners. A desire to learn is an important mindset and one that can be cultivated in and outside of the classroom as well as through encouraging a culture of learning at home. Our desire for a Wollondilly student is that they are engaged in learning and will develop deep knowledge through the curriculum that will enable them to be critical and creative thinkers.

Teachers at Wollondilly seek to make students learning visible to them so they are aware of what this looks like. We acknowledge that learning is not always easy and the development of character and resilience often comes through failure. Students are encouraged to see all situations as learning opportunities and develop a Growth Mindset. Teachers at Wollondilly have high expectations for students and encourage them to have high expectations of themselves.

We also recognise that that learning doesn't just occur in the classroom, and as such, students are provided with many opportunities for contextual learning to occur in the real world. Duke of Edinburgh, Streamwatch, the College Musical, Debating, Nursing Home visits and Rural Fire Brigade Cadets are examples of such experiences that enrich a Wollondilly Anglican College education.

### Year 11 and 12 Parent Teacher Interviews - Location Change Tuesday, 4 June

Historically the Year 11 and 12 Parent Teacher Interviews have been held in the Flynn building. With the increase in student numbers we have recognised that we have outgrown this area and will trial spreading the location for the interviews between Johnson, Sturt, Bradfield and Banks. Appointment times have been increased slightly to allow movement between the buildings. I encourage you to prioritise interviews.

# PASTORAL MATTERS - SENIOR YEARS 9-12

## Talking about RESPECT

During Pastoral Care lessons this Term students in Years 9-10 have been working through two specific gender-based programs focused on factors influencing one's body image, one's sense of self, and perceptions of 'masculinity', 'femininity' and what constitutes a healthy and positive relationship.

Particular emphasis has been drawn to the importance of Respect for oneself and others within different relationships. Research tells us that from a young age boys and girls start to believe there are reasons and certain situations that make disrespectful behaviour acceptable. It is important to be aware of the things we say to our children because parents and other family members have the greatest potential to shape positive attitudes.

**Start the conversation about Respect early** - you never know when a situation will open the door for important conversations with your son or daughter.

Think of examples - Be honest - Ask questions - See it their way - Listen to them - Teach by example

**Recognise our most common excuses** - playing down disrespectful behaviour, accepting aggression as just part of being a boy, blaming girls for being treated with disrespect.

**It's a marathon, not a sprint** - when it comes to gaining academic knowledge and learning skills, we know it takes years of consistent effort from childhood through to adolescence. In the same way, a long-term approach to teaching life skills such as behaving with Respect will have a much greater impact on the young people we support.

For further information and resources refer to: [www.respect.gov.au/resources/talking-about-respect](http://www.respect.gov.au/resources/talking-about-respect)

## Year 12 Formal Fundraiser

On behalf of Year 12, I would like to thank parents, students and staff who supported the annual fundraiser at the Athletics Carnival last Friday. The Mega Bake Sale and hotdog/milkshake stall was a great success. Well done to the Year 12 students involved, particularly the Fundraising Committee. Big thanks also to Mrs Cochrane for her assistance throughout the day.

**NOTE: Milkshakes (chocolate or strawberry) will be available again this FRIDAY lunchtime for \$3.00 at the new BBQ area.**

## Lunchtime Activities

**HOT CHOCOLATES!** As the weather took a definite turn this week students in Years 9-10 were treated to a lovely warm beverage. Thanks Miss Bailey! Cafe 9:10 is the place to be for board games, to socialise or just enjoy a few moments of relaxation away from the craziness of the playground! Bring your lunch along...hot water available for noodles - **Monday Lunchtimes, Cafeteria.**

The Charades competition is well and truly underway with teams sorting out and practising their 'unique' communication styles and techniques in the lead up to their round. This is a great opportunity for senior students to get involved in a team and/or be entertained each week as a spectator - **Wednesday Lunchtimes, Flynn IRC.**

## ANCIENT/MODERN/EXTENSION HISTORY HSC STUDY DAYS

---

The History Teachers' Association of New South Wales is facilitating a series of study days for HSC Modern History and Ancient History on Friday, 7 June and Extension History on Saturday, 8 June. We believe these day will be of terrific value to the students as they prepare for their Trial and HSC examinations, and seek to solidify their content knowledge and hone their skills of historical analysis.

The College is facilitating attendance at this event. Students will travel to and from the venue; The University of Sydney, Camperdown by train. They will need to have a valid Opal Card for this journey. Students need to meet at Macarthur Station at 7.00 am and will be dismissed from Macarthur Station at approximately 4.30 pm. They must wear their Winter College uniform. We are really looking forward to what promises to be a valuable experience and we thank you for your support.

## YEAR 11 LEGAL STUDIES EXCURSION

---

Last Monday Year 11 Legal Studies students travelled to Sydney to visit the Justice and Police Museum as well as State Parliament. We had a great day learning about Sydney's legal past and how that has continued, and changed, today. Some of the students were involved in a mock sentencing hearing and did an outstanding job acting as the prosecution, defence, accused and court officer.

We also met the recently elected Member for Wollondilly, Mr Nathaniel Smith, MP, who spoke to the students about his role in State Parliament. A highlight of the day was seeing many of the students acting in passing a hypothetical bill through the Legislative Assembly and sitting in the seats of the Premier, Speaker and Attorney General.

The students all represented the College well and made the most of the experience.

Thank you to Mrs Kellert for volunteering her time to be involved in the excursion.

## YEAR 7&8 MISA DEBATING

---

On Monday, 27 May, our Year 7 and Year 8 MISA Debaters went to St Patrick's College, Campbelltown to compete in their first debate for the season.

Our Year 7 team were required to argue that *"people spend too much time on the internet"* while our Year 8 team argued against the idea that *"we should financially reward people for using public transport."* The students debated well and raised a number of compelling points to build their cases.

The competition has six rounds to go and we look forward to seeing the students continue to refine their debating skills throughout the year.

## National Simultaneous Storytime

Last Wednesday, 22 May was National Simultaneous Storytime, a national reading event established by the Australian Library and Information Association (ALIA), now in its 19th year. The College is proud to be a long-time supporter of this event that promotes Australian writers and the value of reading and literacy.

Acting Headmaster Mr. Croger read the book to all four of our Kindergarten classes in the morning. Then, after lunch Year 9 Drama performed this year's book 'Alpacas with Maracas', written and illustrated by Matt Cosgrove for T-2 classes. This was the first public performance for these elective drama students and they did a tremendous job. A big thank you to Mrs Sarah Talbot, Performance Coordinator.

## AICES Representative

Congratulations to Mitch Rockwell who was selected in the AICES Touch Football side to compete at the CIS Carnival in Week 8. Mitch's efforts as a member in the NASSA side stood out for the selectors at last week's AICES Championships.

## MISA Round 3 Report

Only six teams had matches this week against Macarthur Anglican School and Oran Park Anglican College. The Year 7-9 Boys' Basketball side had a strong 13-point win with Harry Neich scoring 8 points whilst Leigh Birman slotted two 3-pointers. The Girls' Cricket side had a comprehensive 32 run win with Maisie Hart and Piper Rudd combining with a 24 run partnership to finish the innings. The Boys' Hockey side also had a solid 3-1 win over Oran Park Anglican College with Jonathan Perry and Andrew Bova gaining a special mention.

The Boys' Softball side had their first loss for the season and will look to bounce back in the semi-finals in Week 7. The Year 7-9 Girls' Basketball side also had their first loss by six-points, however, were missing three of their starting five players which should see them bounce back in the finals. In Frisbee the strong winds made for a difficult game. Unfortunately, we lost by 1 point after having previously beat the same side in Round 1.

## Athletics Carnival

Last Friday the Secondary Athletics Carnival was held. It was a great day full of fun, participation and some fantastic performances. The list of 1<sup>st</sup> and 2<sup>nd</sup> places has been posted for checking outside my office. Students should have checked and spoken with myself if any irregularities were noted. The top two students will comprise our team to send to the NASSA Carnival so please check it carefully.

## CIS Rugby League

Jack Sarkis and Jacob Birta took part in the trials for the NSW CIS Rugby League team last Wednesday. This is a high quality trial that saw 85 boys from across the state come together to compete for 17 places in the squad. Both boys did extremely well and are to be commended for their efforts.

Jacob Birta was selected in the CIS team which will take part in the three day PSSA competition later in the year. This is the second year in a row the College has had a student chosen in this team.

Congratulations Jacob this is an outstanding achievement.

## Primary Athletics Carnival

The Primary Athletics Carnival was held at the College last Thursday. Conditions were perfect on the day and 10 records were broken. There were plenty of personal bests on the day too. Congratulations to the Age Champions for 2019.

## IPSSO

On Wednesday IPSSO games were played against St Peter's Anglican School in Campbelltown. In cold and windy conditions there were some fantastic results.

The Stage 2 and Stage 3 AFL teams have now won three games in a row. Both, coached by Mrs Aston, were comprehensive winners. The Stage 2 didn't even let the opposition score a goal.

The Stage 2 Netball team has also won three games in a row, winning 24 nil. The Stage 3 team had an improved performance and lost in a close game, 11-5.

The Soccer Boys' team backed up last week's wins, registering another three points this week. The Stage 2 boys' team won 4 nil and the Stage 3 boys' team won 2 nil. The Stage 2 Newcomb Ball team bounced back from last week, winning 2 sets to nil. Although the Stage 3 took out the first set they lost in a count back.

Next week games will be played at Broughton Anglican College. Stage 2 games will start at 12.00 pm. Stage 3 games will start 1.00 pm.

## Years 3-6 College Sport Gymnastics

Stage 2 College sport students in Telopea and Sollya will be taking part in the Gymnastics Program for the next three weeks.

## K-2 Athletics Carnival

The K-2 Athletics Carnival will be held on Friday, 31 May. Students will have the opportunity to take part in a range of modified athletics events. Events will start at 1.30 pm.

## WORKING BEE - TERM 2 - SATURDAY, 15 JUNE

---

Our Term 2 Working Bee will be held on Saturday, 15 June from 8.00 am till 2.00 pm and there are a number of jobs which need doing.

- The College gardens need weeding and we have plenty of mulch which can be added.
- A good job for our students is the picking up of rubbish around the field and College areas using our rubbish tongs and bucket.
- The College carpark gutters can be blown and swept to rid them of leaves which can then be put on the gardens as compost.
- There are books to be covered in the Deakin 3 classroom. We would love a team to assist in getting lots of books covered.

As always a scrumptious Morning Tea will be provided by the Wollondilly Anglican Community Church and lunch will be provided by the P&F at 1.00 pm so come along with your smiles with the intention of enjoying yourselves on Wednesday, 15 May.

Between now and then, there may be more jobs to add to this list so don't forget to bring your gardening tools, utes, trailers, protective clothing and anything else you think might help on the day and enjoy the company of others while we work together.
