THE WARATAH WEEKLY

Endless is the Victory

Vision

What is your vision? What are your dreams, hopes and ambitions? Successful people invariably started with vision. Most still have one. Excellence is never an accident. Successful companies habitually begin with a vision. It is vision activated that drives companies into being household names -

Amazon:	To be the Earth's most customer-centric company, where customers can find and discover anything they might want to buy online at the lowest possible prices.
PayPal:	To build the Web's most convenient, secure, cost-effective payment solution.
Google:	To organise the world's information and make it universally accessible and useful.
Starbucks:	To be the premier purveyor of the finest coffee in the world while maintaining our uncompromising principles.
Red Cross:	To prevent and alleviate human suffering in the face of emergencies by mobilising the power of volunteers and the generosity of donors.
Sony:	To inspire and fulfil your curiosity.
Coca-Cola:	To refresh the world. To inspire moments of optimism and happiness. To create value and make a difference.

Some companies, like ours, have an Earthly imperative coupled with an unearthly mission -

World Vision: To follow our Lord and Saviour, Jesus Christ, in working with the poor and oppressed to promote human transformation, seek justice and bear witness to the good news of the Kingdom of God.

Wollondilly Anglican College: To provide a disciplined, caring, learning community where students and staff pursue excellence and lives are transformed *For Christ's Glory*.

Our vision in 2003 when the College Council gathered to start the College is still our vision today.

There are five distinct characteristics of the College (Distinctives) that serve to effect that vision -

1. **Christian Education:** Staff here believe that God loves them and has a purpose for their lives; just as God loves each of the children who learn here, and has a purpose for each of them too.
2. **The Pursuit of Excellence:** Students are encouraged to pursue their very best (personal excellence) and to strive to be leaders in their fields, academic, sporting, creative (benchmark excellence).
4. **Pride in belonging:** A reflection of their gratitude for opportunities given and the encouragement of peers to be likewise rather than pretention.
5. **Building Community:** To be responsible members of our College, Broader Wollondilly, Australian and International community. To be "we" thinkers rather than "me" thinkers.
6. **A Second Education:** Our students' future lives; their virtues, morals, ethics, standards and character will be a product of their parents, College and peers. A quality Pastoral Care scaffold creates the environment for positive character traits to be developed and reinforced.

At a conference in 2004, Mr. John Lambert AM, former Director of the Board of Studies, NSW, mentor and friend, outlined the seven essential features that people were looking for in an Anglican school: Academic results, an educated person (student), Christian values, pastoral care and discipline, accessible fees, inspiring leadership and excellent teaching. It was helpful to us to check our vision against such a list.

Do you have a vision? Are you making the most of being at a College where there is opportunity and encouragement? If the answer is no - then make a choice to make a difference. There is an easy way through life that avoids disappointment but never amounts to anything. In the end, and all too late, it produces frustration and regret. Be warned

Those who aim at nothing will hit the target every time.

FORMAL ASSEMBLIES

Our Formal Assemblies are being held next week and all parents and grandparents are most welcome to attend. They commence at 8.30 am but guests are asked to be seated by 8.15 am.

Tuesday, 2 July (Junior)
Wednesday, 3 July (Senior)
Thursday, 4 July (Middle)

Emails have been sent individually to parents of award recipients notifying them if their child is receiving an award. May I ask that parents please check for these emails and also if your email address has recently changed please make sure it has been updated on the Parent Portal so that notifications such as these are being received. Thank you.

Mrs Rhonda Hay
Headmaster's Secretary

COLLEGE TRAFFIC ALERT

As we are a growing College, traffic will increase every year.

To assist us to make it easier for everyone please follow the instructions below.

1. The peak traffic time is between 7.45 am and 8.15 am. Avoid this time if you can.
2. To save last minute rushing and traffic, COME EARLIER! It is easier to find parking and more relaxed.
3. Don't park out on Remembrance Drive. It is a NO STOPPING zone and police patrol this road.
4. College roadway speed limit is 10kph which basically is crawling speed.
5. Be aware of your children in the carpark areas. Please don't let them run around the bus bay and car parking spaces.
6. Crossing carparks between vehicles is very risky as drivers travelling through them don't see you till you emerge from behind the vehicle, especially high vehicles.
7. Children being left in cars alone while the parent walks into the College to pick up siblings is a dangerous practice and must be avoided at all times.
8. Do not chat in carpark areas as kids get bored and run around cars while waiting for you.
9. There are two set down and pickup areas at the front of the College, one in front of White Cottage and the other around the flagpoles. We have now have two "A frame" signs outlining what to do and not do. The west end of the bus bay can be used for quick drop offs but please do not get in the way of the buses.

Please understand, our main purpose is to ensure safety on College grounds for everyone. The carparks and roadways are high risk areas which require strict rules. Let's all work together with patience in keeping it this way.

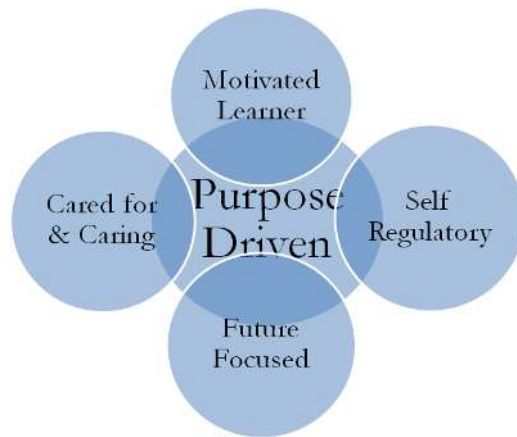

Mr Joshua Edwards
Property Staff

TEACHING AND LEARNING 7-12

Wollondilly Educational Framework

Future Focused - Beyond

An important aspect of our Educational Framework is ensuring that students are on a pathway towards future success beyond the College gates. As students leave Wollondilly and pursue higher levels of education, training, or employment it is important that skills have been developed that will serve them well in the 21st Century. Through learning experiences at the College we aim to develop critical and creative thinking, computational problem solving, the ability for students to work together, communicate with one another and be effective collaborators.

Teachers seek to provide opportunities for students to apply their learning through rich tasks that offer real value. While skills are important to future success, so is a positive attitude and our desire for students at Wollondilly is to be excited about what the future holds and be aspirational in what their future might look like.

Year 10 Finalise Year 11 Subject Selection Choices by Wednesday, 3 July

All Year 10 students should have now finalised their subject choices using the Edval web choices code emailed to students from Ms Huxtable. A printed copy of the selections also needs to be submitted to Student Reception as a receipt of your online submission. The College also requires parents to sign this form to ensure their support of the subject choices that have been made.

Year 8 Finalise Year 8 Elective Choices by Friday, 5 July

Thank you to the parents and students who attended the Elective evening during Week 8. I trust you found the evening informative and it assisted you in making elective choices for Year 9 2020. Please ensure that you have made your elective choices through following the web link that Ms Huxtable has emailed you. A printed copy of the selections also needs to be submitted to Student Reception as a receipt of your online submission. The College also requires parents to sign this form to ensure their support of the subject choices that have been made.

Mr Paul Burns

Director of Teaching and Learning 7-12

Skoolbag App - A Helpful Communication Tool

WAC uses the Skoolbag App to communicate with parents from time to time regarding excursions, sporting events and other College happenings.

Parents are asked to download the app from the app store and create an account.

NB: Make sure you subscribe to your child's year group to receive relevant information and update it each year.

PASTORAL MATTERS - JUNIOR YEARS T-4

Children are born social

Social skill development is about the ability to recognise, interpret and respond to social situations in ways that society sees as appropriate. This kind of learning is passed on to children and young people by those who care for and teach them, through social relationships within the family or with friends, and through participation in the culture around them.

Through their relationships with others and their growing awareness of social values and expectations, children and young people build a sense of who they are and of the social roles available to them.

Young children are naturally self-focused

They often play beside, rather than with, other children and tend to think that everyone sees things the same way that they do. In early primary, children learn that others may see things differently from them. Teaching children how to put themselves in someone else's shoes helps them to relate better to others and manage conflict more effectively. It promotes caring, respect and fairness.

Some children and young people seem to get along with others easily

They bound in and out of groups effortlessly without a care in the world. For others, joining in or getting along with others doesn't seem to come so naturally. This may be because they've not yet learnt the social and emotional skills they need to get along with others.

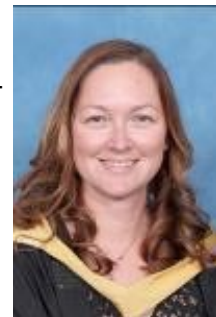

How you can help:

- **Set the tone for positive, supportive relationships**
Establish trusting relationships with children and young people. Build a welcoming and warm learning environment by demonstrating respect, listening and having positive expectations about respectful and caring behaviour.
- **Use everyday interactions as learning opportunities**
Provide coaching and teaching to think through and solve the day-to-day social difficulties children and young people encounter. Where possible support problem-solving without taking over.
- **Promote deeper thinking**
Discuss moral issues with children and young people. Encourage them to state their opinions and reasons.
- **Communicate effectively**
Encourage children and young people to use effective verbal and non-verbal communication skills while interacting with you and others in the learning environment.
- **Appreciate social and cultural diversity**
Find out about the social and cultural backgrounds and values of children, young people and their families. Look for ways you may be able to accommodate their needs and perspectives.
- **Deal promptly with discrimination and harassment**
Teach children and young people about stereotyping and discrimination. Make it clear that these are unacceptable behaviours.

For more information <https://beyou.edu.au/fact-sheets/development/social-development>

Mrs Lisa Maher
Pastoral Care Coordinator T-4

PERFORMING ARTS NEWS

Choral Festival

Congratulations to our choir groups who last week participated in the TASC Choral Festival, held at Oran Park Anglican. Our students showcased their vocal talent and made their tutors proud. Well done to all for your performances and positive behaviour.

MISA Dance Festival

MISA Dance Festival took place on Tuesday. Miss Valente worked with our Dance Company to prepare an excellent performance to a range of music. We are all looking forward to seeing your performance again next week at the Senior Formal Assembly!

Middle Cheer - Additional Rehearsal

Our Middle Cheer group has been working hard to prepare their performance for Middle Formal Assembly. Miss Valente would like the performers to meet together on Monday during lunch time for one last run through.

End of Term Events - Performers and WAC Crew

The following groups are set to be involved with end of Term events. Thank you in advance to our performers for their hard work and rehearsal, and to the WAC Crew for volunteering their time.

Junior Formal Assembly

Performing	WAC Crew
Primary Choir	Mitch Youman
Kindergarten	Ewan Morris
Stage 2 Dance	
Year 2 Recorder	

Middle Formal Assembly

Performing	WAC Crew
Stage 3 Band	Joe Zervos
5J Strings	Liam Biggs
Jessica Fraser	Michael Robinson
Middle Cheer	

Senior Formal Assembly

Performing	WAC Crew
College Band	Abby Miller
Vocal Ensemble	Georgie Armstrong
Ethan Seidel	
Dance Company	

Mrs Sarah Talbot
Performing Arts Coordinator T-12

MISA DANCE FESTIVAL

This Tuesday, the 9-12 Dance Company performed at the MISA Dance Festival at Campbelltown Catholic Club. They represented Wollondilly Anglican College with a six minute Motown tribute. The students performed to a medley of Motown songs including classics from the Supremes and the Jackson 5. All students shined on stage with exuberant amounts of energy embodying the once lived Motown era.

The following students were involved in the Dance Festival and performed incredibly: Amaryia Warland, Annaleise Forbes, Eliza Eaton, Hailli Naranjo, Jasmyn Spinks, Gemma Noblett, Jessica Fraser, Kamryn Reid, Klarisza Ricciarelli, Lexi Allen, Rylea Keen, Sanya Choda, Zara Luxford.

I would like to commend all of these students on their hard work and commitment to Dance Company over the last semester. They have put in hours of effort each Tuesday afternoon and even some Lunch times leading up to the performance.

All of this led them to a successful performance that made myself, the staff and the College proud.

You can see the students perform this wonderful Dance routine at the Senior Formal Assembly next week and at our Country Fair next Term.

Miss Kara Valente
Dance Teacher

FAMILY CHAPEL

It was a chilly evening on Thursday, 20 June, but inside the Clifford Warne Auditorium there was a warm and friendly atmosphere as we welcomed Reverend Benjamin Pakula as our guest speaker. We were entertained by his amazing guitar playing and his "Guess that riff!" game was enjoyed by young and old. He taught us some new songs and he spoke clearly about Exodus 17:1-6. In addition, Stage 2 entertained us by singing "Ask, Seek, Knock".

Thank you to those who attended, donated food or contributed in some way to help our evening run smoothly. If you were unable to attend you missed a great evening. We look forward to seeing you all at our next Family Chapel in Term 3.

Mrs Carolyn Clark
German Teacher

Year 12 Hospitality

This week Year 12 Hospitality assisted with the catering of soup before Family Chapel. This was a great way for parents, staff and students to share a meal together before family chapel but it also allowed the Year 12 Hospitality students the opportunity to practise their skills in catering and mass production.

The event also goes towards competency of their 'holistic' unit which brings together all modules studied. The students did a fantastic job in preparation, service and hosting the night and many thanks to all who supported this event. Money from the soup will go to the College's missions that we are supporting this year.

Year 9 istem

Mr Madden's Year 9 istem class have finished producing and coding their 'game boys' and have started a new and exciting project. This term they have been working on mechatronics unit and learning how to program robots and their associated sensors. At the end of the unit, they will undertake a 'robot war' to see whose robot will actually win a battle we are all looking forward to seeing this in action.

Year 9 Food Technology

Mrs Perri's class this term has been looking at 'Food Selection and Health' as their theory unit of study. They have in their recent assessment task investigated the nutritional needs of a specific lifestyle group and researched the amount of fat, protein, carbohydrates, vitamins and minerals that are needed for each stage of development. In practical classes they have also looked at factors that influence food selection and how economics, seasonal availability, culture and personal preference can play a role in food consumed and chosen. This week they practise their lattice pie making skills and produced some yummy desserts.

Year 10 Textiles Technology

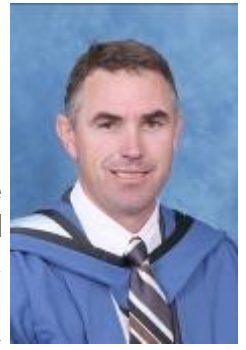

Year 10 Textiles with Miss Bailey have been working on their 'Reduce, Recycle, Reuse' unit in which they have to repurpose an existing textile product or products to form another. Students are also looking at surface decoration techniques to embellish their items. Students have almost finished their work and they have made items such as an apron from repurposed jeans, notebook cover from repurposed clothes, wallet from jeans, and a door mat from strips of fabric. We can't wait to see the unveiling of their finished items.

Year 8 Mandatory Technology - Textiles

Students in Year 8 Mandatory Technology this term have been designing and producing a pencil case as part of their practical project. They have focused on fabric and surface decoration and have also learnt some basic sewing machine skills in the process.

COMMUNITY AND FAMILY STUDIES (CAFS): LEADERSHIP CASE STUDY

For a CAFS Assessment, my task was to develop a case study on a leader within the Wollondilly community by investigating their role, self-leadership, leadership styles and leadership adaptability. When I had heard about the opportunity to be able to contact a leader, I ambitiously chose the Mayor of Wollondilly, Matthew Deeth. To my great appreciation, he replied back agreeing to an interview. I not only collected great data which I could direct towards my case study but I was also able to be educated about his role as Mayor and what he is doing for our Shire.

The Mayor talked of his transformational and democratic leadership style as a representative of the people of the Wollondilly Shire. During the interview, I asked him about some current issues which I have become familiar with, being a local resident. These issues included road quality and street lights. The Mayor provided some thoughts on these issues (shown below):

Roads:

- There is a need to invest more strategically into local roads as previous efforts have not been as thorough, hence roads are failing quicker.
- Funding for local roads has been the victim of reclassification. There are roads that are now classified as regional which draws less State Government funding leading to more costs being passed onto ratepayers.

Street Lights:

- Traffic has increased with housing developments and also increased the need for street lighting. Street lights are costly and safety assessments need to be done to determine the design. For example the intersection up on Razorback where people have requested for a simple light. However, it requires several lights to light up the intersection properly which is where millions of dollars are needed. Priorities are assessed as well looking at any safety issues that have presented in the past.

La-Mia Crinis (Year 11)

Mr Joshua Hewitt
PDHPE Coordinator

SENIOR/PRIMARY HOMEWORK CLUB

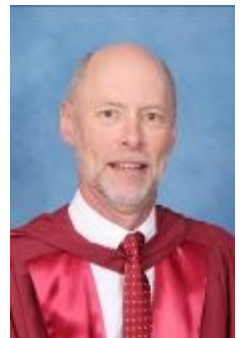

Please note that this **Wednesday, 26 June is the last Homework Club for Term 2.**

We will recommence our sessions on Wednesday in the first week of Term 3 (Wednesday, 31 July).

- | | |
|----------------|--|
| When: | Wednesday afternoons 3.00 pm - 4.30 pm |
| Where: | Flynn IRC and selected Flynn classrooms for Senior & Cuthbert for Primary |
| What to bring: | Homework, assessment tasks, revision, puzzling questions, necessary equipment and a positive attitude! It is essential that you have a work plan for the time you attend Homework Club |
| Pick up: | Students need to be picked up by 4.30 pm in the Melba Carpark |
| Contacts: | Dr Bearlin, Mrs Bawden, Mr Beckinsale, Mr Cassidy, Mr Powter, Mr Stewart, Mr Shellshear & Mrs Talbot
Mr Matthews for Primary |

LAST CHANCE FOR RFS CADET PROGRAM AT WOLLONDILLY ANGLICAN COLLEGE 2019

The **NSW RFS Cadet program** provides opportunities for students to gain an insight into fire safety and prevention through the development of important life skills. The program is facilitated by NSW RFS members and runs for approximately two hours each Thursday afternoon in Term 3.

It consists of a number of practical and theoretical activities relating to fire behaviour, bush firefighting equipment, emergency drills and casualty care. The program also aims to develop the qualities of leadership, self-discipline, initiative and team work.

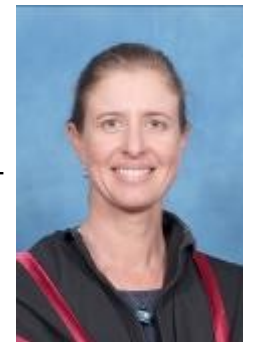

Students who are in **Years 9 or 10** have the opportunity to be involved in this program.

Interested students and parents should contact Mrs Bawden **ASAP** for more information.

Mrs Erica Bawden
Secondary Maths Teacher

YEAR 7 EXCURSION TO WOOGLEMAI ENVIRONMENTAL EDUCATION CENTRE

On Wednesday, 23 November students from Year 7 Hope and Peace classes travelled to the Wooglemai Environmental Education Centre as part of their Stage 4 Geography studies. Here students rotated through a variety of Fieldwork activities to complete an investigation of the Nattai National Park.

Students learnt about the Indigenous history of the area along with the current recognition it has as an area of global importance being part of the Greater Blue Mountains World Heritage listed area. Another focus of the day was learning about how to conduct Fieldwork as a Geographer in a variety of settings and using different techniques.

Thank you to Mr Hart for his assistance on the day - it was superb.

Mrs Trudy Miller
Secondary Humanities Teacher

SECONDARY SPORT

NASSA Volleyball Gala Day

It was a successful day at the Year 7-9 NASSA Volleyball Gala Day on Friday. The Boys played well throughout the competition, finishing in 3rd place overall. The Girls' side did well after just having enough players to compete due to injury and illness. They finished in 6th position. Congratulations to both sides and their coaches, Mrs Bawden and Mr Clarke, on their strong performance.

MISA - Interzone Finals

We had three teams win their regular MISA competitions this Term - Year 11/12 Girls' Netball, Year 7-9 Girls' Basketball and Year 7-9 Boys' Hockey. This week they played the winners of the other MISA Zones (East and North) to determine the overall MISA Interzone Champions.

The Year 7-9 Boys' Hockey side were victorious and were named MISA Champions after their 2-0 win over Mount Carmel! The Girls' Basketball side had a tough first match against St Patrick's College going down by 12 points. They bounced back in their second match to beat Thomas Hassell by 18 points to finish in 2nd place overall out of the 17 schools that make up the MISA competition. The Girls' Netball side battled it out in both of their matches but were unable to overcome the tough opposition and have finished 3rd overall.

Term 3 MISA Trials

Sign-ups are happening this week for the Term 3 MISA teams. Students must sign up prior to the trials which will take place on Tuesday, 2 July, Week 10. The 10 teams on offer this Term include:

Soccer Boys 7/8, 9/10 and Girls 7-9.
Rugby League Boys U/15's
Netball Girls 7/8 and 9/10
Softball Girls 10/11
AFL Girls 10/11 and Boys 10/11
Indoor Cricket Boys 10/11.

After School Football (Soccer) Program - Term 3 registration

Registrations will be closing very shortly for the After School Football Term 3 Program. In Term 2 over 30 students from Years 3-8 were involved in the weekly program to develop and sharpen their skills and knowledge of the game on Wednesday afternoons. Registration forms can be picked up from Mr Goldsbrough, Mr Houweling or Student Reception. Get in quick to secure your place in the Term 3 Program!

Mr Mark Goldsbrough
Secondary Sports Coordinator

Upcoming Events	
Tuesday, 2 July	Term 3 MISA Trials
Thursday, 8 August	NASSA Soccer Gala Day
Friday, 16 August	NASSA U/15 AFL

PRIMARY SPORT

IPSSO

The final IPSSO games for the term were played against Macarthur Anglican School on Wednesday.

The Stage 2 Girls' Netball team scored an incredible 42 goals and won comfortably. Hayley Waites and Brooke Causer polished off some great teamwork with ruthless finishing. This team is becoming quite the formidable opponent.

The Stage 3 Netball team were defeated, however they put up a spirited defensive effort.

The Stage 2 and Stage 3 AFL teams both scored over 80 points in their games and did not let the opposition score. Iris Luxford was a standout for the Stage 2 team, scoring five goals. These teams will head into the July break undefeated and on top of their tables.

The Volleyball and Newcomb Ball teams were defeated 2 sets to nil. They were unable to maintain their form from last week.

The Stage 2 Soccer Boys' side won 3 nil. Max McPherson and Tane Pycroft were the goal scorers. The Stage 3 team held on for a 1 all draw.

The Winter IPSSO season will continue in Term 3. The next game will be played against Broughton Anglican College at the College.

Years 3-6 College Sport

To conclude the Term, on Wednesday, students in Years 3 to 6 will be competing in House based modified games. All students will be required to wear their coloured House sport shirts.

NASSA Athletics Training

Training for the NASSA Athletics Carnival will continue next Wednesday after the College day. The NASSA Athletics Carnival will be held in Term 3.

Permission notes for this event will be given out in Term 3.

Mr Stuart Houweling
Primary Sport Coordinator

Upcoming Events	
Wednesday, 3 July	Years 3-6 House based games
Wednesday, 3 July	NASSA Athletics Training
Friday, 26 July	NSWPSSA Cross Country
Wednesday, 31 July	IPSSO games against Broughton

TRANSITION

As the end of another term approaches, it has been wonderful to reflect on the students' many successes and experiences. We have had a wonderful few weeks exploring our College community.

Transition have had a tour of the office, visited Miss Valente in the College dance studio for a dance class, explored the D&T rooms with Mr Madden, and viewed the hospitality rooms with Mrs Evans where we made some yummy vegemite scrolls. We also had visits from local police and fire community workers. This week we visited Mr Schroder's Shed.

**Mrs Anita Belusic &
Mrs Connie Wood
Transition Teachers**

AGAT ASSESSMENT

Over the coming week, all of Year 7 and the English 1 and Maths 1 classes from Years 8, 9 and 10 will be completing the AGAT assessment. Other students from across the grades will also be completing the assessment.

The AGAT assessment is a General Aptitude Test that covers verbal, numerical and abstract reasoning. The purpose for our students to complete this assessment is to look at an individual general ability and aptitude. It will also guide the teachers to determine the student's in their class' potential.

If you have any further questions, please do not hesitate to ask.

**Mr Stuart McIntosh
Advanced Learning and Learning Support Coordinator T-12**

FLOWERS NEWS

Calling all volunteers - we need your assistance for Term 3. If you are available to help out in Canteen next Term please fill in a form and drop it into Student Reception or the Canteen. Any help will be greatly appreciated.

Please be aware that towards the end of Term many regular food items from the menu will become unavailable. We will have some snack foods that are not on our regular menu for sale on the last day of term priced from 50 cents

Excursion Bags are available from the Canteen. They are \$15.00 each. New stock of the College scarves is due any day.

**Mrs Carolyn Richards, Canteen Supervisor
Think healthy, Eat healthy, Live healthy**

APPLICATIONS FOR ENROLMENT

Applications continue to pour in for 2020 and beyond across all year groups, but especially our entry years of Transition, Kindergarten, Year 7 and Year 11. All current College families looking to enrol siblings for the coming years are encouraged to do so without delay to avoid disappointment.

Application packs are available from the College Office or from the College website.

Mrs Kristy Biddle
Development Officer

EARN AND LEARN

This is your last week to return your Earn and Learn stickers to the box in Student Reception! So please don't forget.

Please make sure all loose stickers, half filled sheets and completed sheets are returned so that we can claim as many resources as possible. We **must** have the count completed by the end of Term 2.

Thank you to all of the College families and friends who have supported us this year.

Our tally so far is an amazing **47,400**.

Mrs Lisa Grzasko
Earn and Learn Coordinator

INFORMATION FROM THE COLLEGE NURSE

National Burns Awareness Month an initiative by Kidsafe

As we head into winter there is a significant increase of risk of burns - this is not just for small children! As parents and caregivers it is a good reminder to be aware of prevention and treatment of burns. This could be due to for example by scalds from hot drinks, soups, contact from stove tops, curling tongs, fire place or flame injuries by misuse or accelerants.

First aid includes removal of clothing/jewellery of affected area (unless stuck to the skin).

Placing the burn under cold running water for 20 minutes. Cover the burn with a clean non stick dressing and seeking medical attention if the burn is on the face, hands, lap or feet, blistered or if the burn is bigger than a 20 cent piece.

<https://kidsafe.com.au/national-burns-awareness-month/>

Mrs Sally Lloyd
College Nurse

COMMUNITY

- **Wollondilly Cares**

From time to time, families undergo trauma such as severe or terminal illness. There are short term **support structures in place at the College to assist families** during these times. The WACCares Program offers practical support such as meals for families. Please contact Mrs Hay at the College, to assist. Confidentiality will be respected when requested.

P&F ...friendraising and fundraising

Clothing Pool

The Clothing Pool has a variety of good quality used clothing for sale at reasonable prices. Also available for purchase is a selection of new socks and ties!

Opening Hours

Monday	7.45 am - 8.30 am
Tuesday	7.45 am - 8.30 am
Friday	7.45 am - 8.30 am

Location

White Cottage - side windows opposite FLOWERS Canteen.

If you can spare an hour in the morning to volunteer at the Clothing Pool, please contact Melissa on 0415 402 013. It is a great way to meet other parents and save a few dollars.

The Clothing Pool is part of the P&F with all funds raised going towards the College.

Mrs Melissa Whishaw
P&F Clothing Pool Coordinator

Term 2, 2019

The Wollondilly Anglican College Country Fair is our biggest fundraiser for the year and is a great community day out for the whole family.

It includes live performances by our College students, showcasing their dance, drama and musical talents. Along with plenty of rides, Jumping Castle, Face Painting, Animal Farm, Camel & Pony rides, Tennis & Sydney Thunder Cricket, Rock Climbing Wall, Inflatable Human Hungry Hippo Game, auctions with great prizes and much more.

There will be range of stall such as arts and crafts, plants, condiments, clothing, candles and much more.

Our College food stalls offering barbecue sausage sizzle and our Hospitality & Commerce classes running their WAC Snacks Nachos, Milkshakes and Hot Chips Stall plus our famous Cake Stall, hot and cold drinks. Food vendors will also be available and of course real coffee.

Thank you to everyone who attended the information session on Monday. If you would like to be a part of this great fundraising event, please contact Deirdre on 0417 249 877 or through her email at pandfsecretary@wac.nsw.edu.au

Stallholders Wanted for Country Fair

We are seeking Stallholders who would like to hold a stall at this year's Country Fair.

Please contact Deirdre Fitzsimmons - the Country Fair Coordinator via email on pandf@wac.nsw.edu.au and you will be forwarded a booking sheet.

**Stall Holders
Wanted!**

To have your position secured we require payment and all details by Sunday, 30 June.

Sponsorship Opportunity

16th Annual Country Fair Auction and Silent Auction

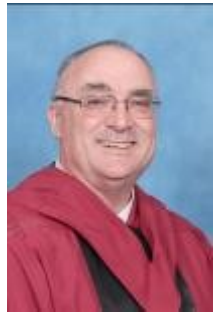

We are seeking businesses within the College that may like to sponsor our 16th Annual Country Fair.

We are seeking sponsorships of goods and services to go towards our Auction and Silent Auction. If you have a business or know a business who would be interested in donating services or products for the Auction or Silent Auction we'd love to hear from you.

If you have a business that would like to sponsor our Country Fair Silent & Main Auction for 2019 you can contact the College and speak with Mrs Deborah Cook on 4684 2577 or send an email to pandfsecretary@wac.nsw.edu.au.

LEARNING - LOVING - LIVING

PRETEND HEADMASTER

Pretend Headmasters - Ella Haworth (KH) and Matilda Malcom (KH) are busy checking off our Students' awards for all our upcoming Formal Assemblies happening next week in the Warne Auditorium at 8.30 am

Prayer Points

Please Thank God:

- That He has a vision and a plan and that He created us with a curiosity to discover it.
- That He persists with us and loves us through our weakness.
- For the visionaries who inspire us on to greatness.
- For the ministry of Rev Ben Pakula as he reaches out to the lost and reaffirms the found.

Please Ask God:

- That we will continue to remember our vision as we formulate our 2020 budget.
- For continued rest and refreshment for Mr and Mrs Croger and other long serving staff as they take a break.
- To continue to watch over our boys and girls as they navigate a world that grows more complex, ambiguous, volatile, uncertain, ungodly and stupid.

Psalm 127:1 Unless the Lord builds the house, its builders labour in vain.

Excellence, Endurance, Eternity.
