Thank you

2019 Country Fair

To the WAC Community

Our sincere thanks to everyone involved in making the Fair such a wonderful event. To our P&F members who have tirelessly worked so hard all year to bring this event together; to the students who have gone above and beyond any College expectation and to the College staff who continue to amaze us with their dedication.

Thank you also to all our performers and to all our families who attended to make it such a great day. We are blessed to have such a supportive College community which is a credit to the College for the culture that has been created. May we all continue to work together to keep our Community strong.

A great result, all round congratulations and thanks for the hard work and cooperation from all.

For Christ's glory

FROM THE DEPUTY'S DESK

Country Fair - A Great Community Event

Our 2019 Country Fair was a great success in terms of building community and the early signs are that it will be a financial success too.

The planning and organisation of the P&F laid the platform for a successful event. It was also the involvement of our other parent and family volunteers, College staff and students who contributed to such a successful day. The event had a great 'feel' and there were lots of happy people.

A number of positive responses were received from a variety of sources. Here are a few from the Country Fair Facebook site:

"Perfect weather and an awesome day! Massive thank you to all the organisers, teachers and volunteers for all their hard work and your awesome groundskeeper crew, they were working hard all day."

- "Congratulations to the organisers. It was a wonderful day. Some great stalls and perfect weather."
- "Thank you for the opportunity to show my product."
- "Was a great day fantastic weather also."
- "We had a great day."
- "Great time was had down at the Country Fair.. absolutely perfect day for it."
- "Such a great day!"
- "Was a great fair."

Congratulations and thank you to all involved.

Duke of Edinburgh's Award - National Gold Award Ceremony

Last Friday two of our current students and two former students were presented their Gold Award at an event that marked the 60th Anniversary of the Duke of Edinburgh's Award operating in Australia.

Congratulations to Jade Grindrod (Year 12, 2017), Noah Sarkis (Year 12, 2018), Annaleise Forbes and Lilli Madden (both in our current Year 12), who received their Gold Award at the ceremony.

The event was held at Sydney Town Hall where 400 young people from all over Australia were presented with their Awards in the presence of his Royal Highness, Prince Edward (the Earl of Wessex), the Premier of NSW and the Lord Mayor of Sydney. It was the largest Award event to be held outside of the United Kingdom.

The Award recipients were placed in groups and met successful Australian citizens who acted as ambassadors for each group and introduced them to Prince Edward as he moved between each group during the event.

Our students were hosted by Naomi Simson, founder of Red Balloon and one of the entrepreneurs on Shark Tank. Some of the other notables included Layne Beachley, Dawn Fraser, Kirk Pengilly, Jack Thompson, Deborah Hutton, David Campbell, Jeff McMullen, Indira Naidoo and Eddie Woo.

Mr Ian Croger Deputy Headmaster

Our Gold Duke of Ed grads meet Prince Edward

PASTORAL CARE T-12

Last day of Term

On Friday, 27 September the last day of Term 3, the College will have a House Fundraising Day that will be focused on supporting Mission Aviation Fellowship.

Below is some information about this organisation that we are supporting -

Mission Aviation Fellowship (MAF) is a Christian organisation that provides aviation services for people living in remote areas around the world.

For over 70 years, MAF has been serving isolated people by using aircraft to bring in the essentials of life as well as medical care, emergency food, and Christian hope.

Our purpose is to deliver practical and spiritual care to people in places of deepest human need. Every four and a half minutes, a MAF plane takes off or lands somewhere in the world. These flights enable crucial work by many aid and development agencies, missions, local churches and other national groups.

MAF is serving the Church and communities in remote areas where flying is not a luxury, but a lifeline. maf.org.au

The College has had a long standing partnership with MAF dating back to our involvement with MAF as part of our Arnhem Land Mission Trip. Students are asked to bring a gold coin to donate to the organisation that will be collected during Roll Call on Wednesday, 25, Thursday, 26 and Friday, 27 September. The House Group that raises the most money will be announced later that day at the Talent Quest.

Students in Years T-11 will be able to wear House Shirt and Sports PE Uniform. Students can choose to wear Sports PE Tracksuit Top and bottoms or College Sports Shorts. Students can wear a different hat and socks on the day as part of Crazy Hat/Socks element to the day. All other normal uniform guidelines apply.

Another tradition that takes place on this day is the Talent Quest. This runs in the later part of the day with time details to be finalised in next week's Waratah Weekly. This will involve students in Years 5-11 both as performers and the audience and is always an enjoyable and encouraging way to finish the Term.

Mr Liam Toland
Director of Pastoral Care T-12

Kids@Mac Narnia Party!

Where: Mittagong Anglican Church
When: Tuesday, 24 September
Time: 3.30 pm - 5.00 pm
Cost: \$3.00 per person
Ages: 4 Years to Year 4

PASTORAL MATTERS - JUNIOR YEARS T-4

World's Greatest Shave

Laura Carruthers took place in the World's Greatest Shave on Sunday.

'Over the past few months I have been growing my hair so that I could eventually donate it towards making wigs for children who are suffering from cancer. As it got longer, I decided I wanted to do a bit more. I decided to take part in the World's Greatest Shave to raise money for cancer research. I set my goal at \$2000.00 and my date as Sunday, 8 September. On Sunday, a few friends and family came to my house to watch the hairdresser shave my hair. My hair was sent to Sustainable Salons to make wigs and I am proud to say that I raised \$2272.00 for cancer research.'

It is wonderful to see such a display of understanding and maturity from one of our younger students. Well done Laura on looking outward and serving others.

Mrs Lisa Maher
Pastoral Care Coordinator T-4

PERFORMANCE NEWS

Country Fair

Country Fair was a resounding success this year. Congratulations to our P&F for all of their organisation and for delivering an enjoyable day for everyone.

Particularly I would like to acknowledge the efforts of our performers, stage crew, ensemble leaders, staff and parents who volunteered. They provided a full day's worth of quality entertainment for patrons of the fair. Please enjoy the photographs of the performances.

Upcoming Events...

Talent Quest

The Talent Quest is set to be held on the last day of Term this year for students in Years 5-11. Students who would like to prepare an act for consideration will need to present their planned performance at lunchtime on Thursday 19 September for our selection panel in the Johnson Studio (note: change of date). Students should bring any required equipment or backing tracks.

Musical BBQ

In celebration of the efforts of all those staff and students involved in this year's College musical, We Will Rock You, a BBQ will be held at lunchtime on Friday, 20 September. Any student who performed, was part of stage crew, assisted with costume, played in the band or contributed to set design is invited to attend. At this time we will also officially announce the coming College musical, with those who were involved this year being the first to hear!

MISA Drama PIP Day

On Wednesday, 16 October our College will host the third annual MISA region Drama PIP Day (Playbuilding in Practice). This will involve a number of elective Drama students from our own College and other MISA region schools participating in workshops led by industry professionals. Students in Year 10 and Year 11 Drama will receive a permission slip for this event and should return them promptly to Mrs Talbot.

O Day

On Saturday, 26 October our College will host its annual O Day (Orientation and Open Day). Our College Strings, College Vocal, Junior Strings and Junior Choir students will be invited to perform at this event along with some soloists. Please return your permission slips as soon as possible to your ensemble leader or Mrs Talbot so that we can plan for this event.

Stage Crew for End of Term Events

Middle Formal Assembly	Monday 23 September	Joe, Liam Biggs, Brock, Michael
Senior Formal Assembly	Wednesday 25 September	Ewan Morris, Harry, Tom, Georgie, Annie, Abby Cupitt
Year 12 Graduation Assembly	Thursday 26 September	Annie, Ewan, Abby M
Talent Quest	Friday 27 September	Joe, Liam, Brock, Brad

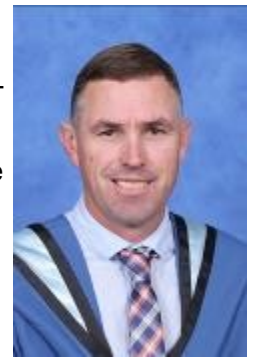

Mrs Sarah Talbot Performing Arts Coordinator T-12

HEALTH AND PHYSICAL EDUCATION DAY

On Thursday, 12 September, a lunchtime handball competition was held as part of Health and Physical Education Day - promoting an active lifestyle. A small but enthusiastic and competitive group of students either contested the round robin competition or the "Challenge the Champ" competition, where students could walk up and play a teacher.

A big thanks goes to the Year 11 House Captains who volunteered their time to help tally results as well as Mr Jones and PDHPE teachers who put their skills to the test. Prizes for the event were kindly donated by World of Sport.

YEAR 12 CHEMISTRY EXCURSION TO SYDNEY UNIVERSITY

Year 12 Chemistry students attended the Kickstart Program at the University of Sydney this Term. They participated in practical activities such as determining the sulfate content of fertiliser and analysing water quality using different titration techniques. It was both informative and enjoyable and the students are to be commended for their behaviour and willingness to participate.

INAUGURAL HSC SCIENCE EXTENSION PRESENTATION NIGHT

This year marks the first class to do the exciting new course HSC Science Extension. Students choose a research topic and write a report on their investigation. Last week they gave short presentations on their work. Such was the quality that each project has been entered into the NSW Young Scientist Competition.

Their projects spanned the study of ant behaviour, using Daphnia to detect pharmaceuticals in our waterways, investigating the efficiency of rotating solar panels, genetic links to fingerprints, the effect of pH on the efficiency of luminol at crime scenes, the properties of honey and noise reduction in aircraft engines.

Dr Andrew Eaton
Science Coordinator

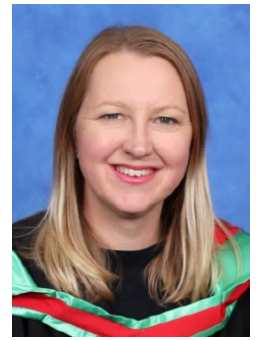

LIBRARY NEWS

Australian Reading Hour

This Thursday, 19 September is Australian Reading Hour. This is an annual event where libraries, booksellers and publishers come together to promote the benefits of reading. Take the time that day to stop what you're doing for one hour and pick up a book.

In children, reading has been shown to help with identity information, setting them up for success in the future.

A bedtime story six days a week can put your child almost a year ahead when they start school. In adults, reading has been shown to reduce stress by 68% more than listening to music, going for a walk, or having a cup of tea. (source: <https://readinghour.org.au>)

Visit your closest library to pick up a book or just rediscover that book you have been meaning to read for so long. We have no shortage of libraries at the College - students are encouraged to borrow a book today and every day!

Mrs Justine Colombo
College Librarian

MUSIC AND THE BRAIN - WEEK 3

'Oh dear...I forgot my instrument today. But I have my music!' A phrase I hear in the classroom when students don't want to play their instrument or can't play their instrument because the instrument isn't physically at the College. The good news is; students don't need a physical instrument to practice because we all walk around every day with an instrument we use every day. Our voice.

Students can use a starting point, provided to them by another student or teacher and begin to practice their music by singing what they see. Sometimes it can be difficult for the Flute or Piccolo player to sing their very high, fast melodies or the Trombone/Tuba player to sing their very low, sustained melodies. But the point is, reading and recognising pitch and contour helps develop their sense of what the music will sound like. Students can also use this strategy when reading music for the first time and they don't have their instrument in front of them. Sight singing is a skill that is assessed in the Music 2 course for the HSC, singing a melody not previously seen before an examiner with the starting note played for the student.

However, another strategy is physically practising without the instrument, imitating the physical movements of playing their instrument. 'Score reading away from one's instrument enables the brain to form an impression of sound from the notation. This engages the musical imagination.' (Griffin, 2017) Students who turn up to a rehearsal and say they'll have to go home because they don't have their instrument will no longer have an excuse.

By utilising these strategies, students can prepare better for their actual performance as they visualise each note, its tone, speed and other specific musical details. Something we should always try to do before physically playing our music.

Singing is not bad. We should be able to sing what we play (as instrumentalists). But we can always pat our legs as drummers, play piano on the desk or move our arms forward and backwards to imitate the slide of the Trombone. For any instrument, a method is possible. For the last Waratah of this term, we will look at the student who turns up with nothing.

Griffin, M. (2017). *Learning Strategies for Musical Success*. Music Education World, Adelaide.

Mr Lloyd Grant
Acting Creative Arts and LOTE Coordinator

HICES DEBATING - THE FINALS

The HICES debating competition has reached completion after an exciting Finals Series of debates. When teams reach the final series of debates they move into a knock-out competition with the top ranking schools in their division. This knockout competition continues throughout Term 3.

Two of our teams, the Junior and Middle Years teams, progressed very well through the finals series. The Junior team was knocked out in the semi-final by The Illawarra Grammar School who then went on to win the Junior competition.

The Middle Years team made it all the way to the Grand Final which was held at UTS on Friday, 6 September. They were given the topic - *That the Government should pay for swimming lessons for every Australian Citizen*. They drew the negative case. The team members: Hannah White, Shaun Parasher, Ben Napier and Annabelle Gibson, all from Year 8, argued very strongly but were narrowly defeated. They achieved the honour of being Runners Up in the HICES Chapman Cup Debating Competition for the Middle Years division. In addition to this, Shaun Parasher was named as Runner Up Best Debater for the finals series.

I would like to congratulate all the students from Years 5 to 11 who were involved in the HICES Debating competition this year. I would also like to thank their coaches: Mr Matthews, Mr Davis, Mr van Netten as well as Mr Croger and Mr Clarke who assisted with transport throughout the year.

Mrs Wendy Croger
English Coordinator

TAS NEWS

Year 12 Hospitality

A huge congratulations to the Hospitality class of 2019 who worked so diligently, and effectively as a team at the recent Country Fair. The students worked in two shifts to prepare the delicious Nachos that were served on the day. This activity was a competency assessment as well as a compulsory service period for the students and it had them preparing food, serving the food as well as the clean at the end of the day. They did an amazing job and all who ordered the Nachos can agree they were delicious.

Well done to Georgia Baker, Claire Buick, Zach Fleming, Blake Gaidzionis, Charlize Kerr, Dean Large, Stella Reid, Jade Tindall and Bronte Traynor. Thank you enormously for your efforts and hard work.

Year 7 2020 - TAS taster day

On Friday, 6 September, 60 students joined us here at the College for a 'Taste of Year 7'. This was done to make the process in 2020 easier and less daunting. They joined the TAS department for a period and were involved in producing an edible food item up in the Banks kitchen. During their time at the College the students connected with others, made new friendship groups, learnt about some basic food hygiene and food preparation.

We hope they enjoyed their time in TAS and look forward to having them in our TAS classes in 2020.

TAS NEWS CONTINUED

Year 12 Design and Technology

Congratulations to Mr Madden and the class of 2019, who had their Design and Technology projects marked at the college by the NESA markers on Friday, 13 September. Students have had to write their own design brief and come up with their own design problem and work towards a possible solution to their given idea. They started this process in Term 4 of 2018, and have worked on their projects all year. Projects are currently on display in the Flynn IRC and I would encourage you to all have a look at what they have created.

Brianna Ollis

My project aims to encourage families with young children to compost whilst informing them about the impact of food waste in an accessible manner. As such, a 100% biodegradable food scrap holder can be replicated through the utilisation of craft-like construction techniques such as making 'putty' and 'slime' out of common waste products such as shredded paper, cardboard and egg cartons, alongside 'bio-plastic' using starch and other household ingredients. It is designed to hold fruit and vegetable scraps before being buried in the backyard, prompting families to learn about the benefits of composting, form a fundamental habit and subsequently seek more permanent solutions

Zara Luxford

My project is a collection of children's clothing for girls that are made from sustainable and recycled materials such as tablecloths and second hand clothing/fabrics that could replace a child's wardrobe and be worn throughout each season. This collection focuses on a minimalistic approach to life due to the reversible nature of the garments as well as the neutral colour pallet that makes each item easily wearable with each other.

Riley Boon

I created an 'Electronic Kiosk Kit' which is a DIY electronics and Internet-Of-Things project aimed at encouraging young people to explore the electronics and programming world. The project is Raspberry Pi based includes features such as an app controlled light, wireless phone charging, the weather, calendar synchronisation and Spotify integration.

The system can be controlled using an app that I built for Android to change the music and adjust the brightness among other things. It was 3D printed and assembled, and all the programming is open source so it can be accessed and modified to suit the needs of the user.

Mrs Kelly Evans
TAS Coordinator

SECONDARY SPORT

MISA Interzone Finals

Congratulations to our Year 7/8 Netball side who competed this week at the MISA Interzone finals. After an undefeated season they started the day with another strong win against Thomas Hassall Anglican College. However, despite being well and truly in the match they couldn't overcome St Pat's which saw them finish in 2nd place. This is still a great achievement and testament to the depth of Netballers we have here at the College. Well done Girls!

Term 4 MISA Trials

In Week 9 we will be holding our Term 4 MISA Trials. Students MUST sign up for these trials from Wednesday - Friday of Week 8 if they wish to be involved. The options available are:

Girls	Boys
7-9 Softball	7-9 Indoor Cricket
7-9 AFL	7-9 AFL
7-9 OzTag	7-9 OzTag
10/11 Volleyball	10/11 Volleyball
10/11 Frisbee	10/11 Frisbee

Term 4 Gala Days

Next term we have several Gala Days, including Junior Basketball, Cricket and Year 7 Netball. Weather dependant, trials for Basketball will take place next week whilst the Cricket sides will be selected based off our current teams and Term 4 MISA side. Netball trials will occur early Term 4. Further information regarding sign ups and trials will be announced at Monday assemblies and in Daily Notices.

Mr Mark Goldsbrough
Secondary Sports Coordinator

Upcoming Events

Tuesday, 24 September	Term 4 MISA Trials
Tuesday, 24 September	CIA Athletics
Thursday, 24 October	NASSA Jnr Basketball Gala Day
Monday, 28 October	NASSA Cricket Gala Day

PRIMARY SPORT

CIS Athletics

On Thursday, 12 September the College had 13 athletes represent NASSA and the NSWCIS Athletics Carnival at Homebush: Ethan Brooks, Jacob Birta, Cienna Obakpolo, Callum Cassidy, Ashton Bielaczek, Kaitlyn Williams, Scarlett Frost, Alani Lindsay, Isabella Evans, Aillie Carroll, Holly Morgan, Heidi Jones and Kiah Evans. Students competed in a range of events and set new personal bests.

Congratulations to Isabella Evans who qualified for the 100 m and 200 m finals. Isabella also finished 3rd in the 800m. She will now compete at the NSWPSSA Championship in this event.

House Leader Games

Next Wednesday, during 3-6 College sport time, students will compete in House based competitions. House groups will be led through a range of activities by their Year 6 House leaders. The activities will focus on the strategies and skills students have been developing during College sport time. All students will need to wear their coloured House shirts.

Term 4 Swimming

As part of the Term 4 College sport program. Students in Years 5 and 6 will have the opportunity to take part in swimming lessons and squad training at Wollondilly Leisure Centre. Places in these programs are limited and notes should be returned as soon as possible.

IPSSO Uniforms

The winter IPSSO season has now concluded and uniforms must be returned. Students who fail to return their uniforms will be unable to compete in the summer competition.

Australian Martial Arts Championship

Congratulations to Elisabeth Randall who finished 3rd in her age division at the Australian Martial Arts State titles. Elisabeth will now compete at the National Titles in November at Port Macquarie.

Mr Stuart Houweling
Primary Sport Coordinator

Upcoming Events

Wednesday, 25 September Years 3-6 House Leader Games

FAMILY CHAPEL SURVEY

Thank you to all those families who completed the Family Chapel survey to give us your preference evening for Family Chapels in 2020. The outcome was that in 2020 we will have Family Chapels on two Thursdays evenings and one Friday evening.

Mrs Rhonda Hay
Headmaster's Secretary

APPLICATIONS FOR ENROLMENT

Applications continue to pour in for 2020 and beyond across all year groups, but especially our entry years of Transition, Kindergarten, Year 7 and Year 11. All current College families looking to enrol siblings for the coming years are encouraged to do so without delay to avoid disappointment.

Application packs are available from the College Office or from the College website.

STUDENTS LEAVING AT THE END OF 2019

If your child will not be attending the College in 2020, please give written notice by the end of Term 3 so that your bond may be returned and to avoid Term 1, 2020 fees and charges, as per the Terms and Conditions of Enrolment.

Mrs Kristy Biddle
Development Officer

INFORMATION FROM THE COLLEGE NURSE

Mrs Sally Lloyd
College Nurse

Whooping Cough

We have had three confirmed cases of Whooping Cough in our College.

Children receive their immunisation for Whooping Cough from six weeks of age with course completion at four years of age. The booster is then given in Year 7. Although the vaccination is not 100% effective, immunised children are less likely to catch it.

Adults can also be given the Whooping Cough Booster with their Tetanus vaccination or on its own. For more information please consult your GP. Please see below link on Whooping Cough by Sydney Children's Hospital.

COMMUNITY

- **Wollondilly Cares**

From time to time, families undergo trauma such as severe or terminal illness. There are short term **support structures in place at the College to assist families** during these times. The WACCares Program offers practical support such as meals for families. Please contact Mrs Hay at the College, to assist. Confidentiality will be respected when requested.

- **School Holiday Football Clinics**

Week 1 - (Monday, 30 September - Thursday, 3 October)

Week 2 - (Tuesday, 8 October - Thursday, 10 October)

Cost - \$95.00 per person

More information, visit www.footballsouthcoast, email office@footballsouthcoast or call 4285 6929

- **Southern Highlands Touch Football - Junior Nominations Now Open**

Where: Ironmines Oval Mittagong

When: Monday, 14 October - Monday, 9 December

Cost: \$25.00 per player

For more information please email southernhighlandstouch@gmail.com or call Kelly on 0417 269 741

- **The Y Vacation Care**

Spring 2019 School Holiday Program

Website: ymcansw.org.au/picton

When: Monday, 30 September - Friday, 11 October

- **Social, non contact AFL 9's**

Where: Hannaford Oval, Broughton Street, Wilton

When: Wednesdays - Competition starts Wednesday, 23 October.
Matches played at 5.30 pm till 6.30 pm

Duration: Nine weeks

Cost: \$350.00 per team

Free come and try evening on Wednesday, 16 October

Register at: <http://afl9s.com.au/venues/nsw>

For more information please contact Joshua O'Riordan on 0425 458 423 or email joshua.oriordan1@gmail.com

- **Mittagong RSL Disco**

Where: Mittagong RSL - Bessemer Street, Mittagong

When: Saturday, 28 September

Time: 4.00 pm to 6.00 pm

Ages: Up to 14 years

Cost: \$5.00 per person

All money raised goes back to the children in the Southern Highlands community. For more information, please contact Sandra on 0412 321 555.

Please note that the above is a service to the Community and items advertised do not necessarily carry the endorsement of the College. The College tries to be selective with what is advertised but cannot take responsibility. Please look into events advertised carefully.

Our Country Fair - Thank you to all

A huge thank you to everyone who helped out before, during and after the big day. There are too many people to mention everyone's name individually.

We would like to thank the sponsors, the P&F, the parents & friends who donated their time, the staff, the Wollondilly Church, the students and the Country Fair Team who made it all possible.

A very special thank you to the team of helpers who assisted with set up, worked tirelessly throughout the day and stayed behind until we had packed up. Wherever there was a job to be done, you materialised from nowhere and ensured all was ok.

A final thank you to everyone who came to support us on the day and made it the success it was.

Wollondilly Anglican College P&F Association

Casey's Toys (Shopping Fundraising Night)

Date and Time to be confirmed
(Sometime in November)

Come along and enjoy a night out with your friends and do some Christmas shopping. Nibblies and drinks supplied.

LEARNING - LOVING - LIVING

PRETEND HEADMASTERS

Pretend Headmasters - Matilda Lucaci (KJ) and Jacob Macdonald (KJ) are assisting our Office Staff with the finalisation of our student awards for next week's Formal Assemblies.

Prayer Points

We Thank God:

- For our wonderful community at Wollondilly and for all their efforts at the Fair
- For the amazing calibre of staff presenting at interviews for positions in 2020
- For the Property team, Office team, Staff, Parents and Students who worked so hard behind the scenes to support the Country Fair
- For our wonderful Parents' and Friends' Association who voluntarily ran an event for 5000 people on site.

We Ask God:

- That we might not grow complacent with each other and begin to think that building community is someone else's job
- For speed in the provision of the second entrance for the College
- That He will give us wisdom over the staff appointments for 2020

Psalm 127:1 Unless the Lord builds the house, its builders labour in vain.

Excellence, Endurance, Eternity.
