THE WARATAH WEEKLY

Begin with the End in Mind

Mr Craig Russell - To the class of 2020

To use the term 20-20 vision in describing someone, it would mean that one had perfect vision. Well I don't think anybody saw what was going to happen this year. 2020 became the year where Off-Campus Learning was invented and colloquial words like ISO and SANI became part of the Aussie lingo. A year where the 'Zoomers' used Zoom, face masks became a fashion accessory, toilet paper became a commodity, and the 'Karens' of the world reached their final form.

Why am I mentioning this? Because in future years when you tell people what year you finished your Secondary Years, people will respond 'oh...that year'. The year of 2020 is part of your story. The highs and lows, the challenges and innovations and of course the 'unprecedented times' are all part of who you are and what you have achieved.

Our Wollondilly community has been hit hard by droughts and by bushfires and then all the things that have happened in 2020. Somehow, you are meant to get your HSC while all of this is going on, and you have. I am very proud of you for your achievement, and I am very proud of you for your resilience, and I am very proud of you for not making fun of me every morning on those Off-Campus Zoom chats. (Although I did prank you on April Fool's Day). They say that when a miner digs a diamond out of the ground, it's an unfinished product. The diamond needs to be cut and shaped with skill. Only after this process will a diamond truly sparkle. I can see that this year of 2020 has brought out the best in you, the things that are not important have been cut away, and your inside beauty has been allowed to grow and sparkle.

The Bible tells a similar story in Romans Chapter 5, we read "we rejoice in our sufferings, knowing that suffering produces endurance, and endurance produces character, and character produces hope". Now the Bible context is different, but the process is similar. Times of adversity are times which make you who you are.

But 2020 is not your whole story, so many of you have spent years at Wollondilly perhaps even as far back as Transition. Your journey has been shaped by your parents, friends and staff who are all very excited to see that you have made it to Graduation. I think it would be good of you to seek out and thank somebody who years ago invested in you and helped you in your achievements.

Now I have been a Year Patron for most of my career. The role is often one where you get to be an advocate. This means that I get to publicly represent you and your best interests to other people, usually staff. I stand in your place to sometimes defend you, other times to promote you. Your parents also do this. Very soon you will be doing this on your own, but it's OK, you are ready. This role of being an advocate is also found in the Bible, we read in 1 John chapter 2 of Jesus being our advocate for our sins, it reads "we have an advocate with the Father Jesus Christ, the Righteous One. He is the atoning sacrifice for our sins, and not only for ours but also for the sins of the whole world". Can I impress upon you for perhaps the last time at this College, that Jesus has taken away your sins, and if you let him, he will represent you in front of the Father.

Now you might remember during our Year 10 Campout, we were going to watch the movie Shrek, but the technology let us down. I still have never seen the movie. I have seen bits of it and have got the general feel for what it is. From what I can tell, the story goes that once upon a time there was a big green boofhead called Shrek who lived in a swamp. He was content. Then one day he was invaded by a million little pests and a talking donkey. He set out on a journey and there were good bits and bad bits and in the end he realised that his life was much better for the intrusion and in fact he enjoyed all the creatures, especially the talking donkey. Can I thank you Year 12 for invading the life of this boofhead and making it better. Never stop being interesting, especially if you identify as a talking donkey. I can't wait to see what happens next in your lives, all of us here at WAC will be cheering for you from the sidelines.

My cricket coach when I was a kid, his name was Larry, he used to say this one line when we walked off the cricket field whether we had won or lost. "Boys, Yez dun good". I would also like to say the same thing "Year 12, Yez dun good".

Thank you

FROM THE INTERIM HEADMASTER

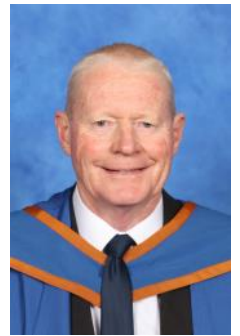

Gold Duke of Edinburgh's Award Approved

Congratulations to Isabella Norman in Year 12. The College was notified that her Gold Award has been approved.

Hopefully Bella will be able to receive her certificate from the NSW Governor in 2021.

Mr Ian Croger
Interim Headmaster

WAC KIDS CARE

From time to time, families undergo trauma such as severe or terminal illness. There are short term **support structures in place at the College to assist families** during these times. The WAC Kids Care Program offers support to families in the way of meals.

Please contact Mrs Hay or Mrs Rockwell at the College. Confidentiality will be respected. The College is accepting food donations towards the WAC Kids Care Meals Ministry.

WAC Kids Care

If you would like to practically support the WAC Kids Care Program, you are able to contribute food goods at any time.

The following items are very helpful when preparing meals:

Rice, Pasta, Noodles and Lentils
Tinned Vegetables eg Kidney Beans, Corn and Tomato
Sauces eg Passata, Sweet & Sour and Curry bases
Stock - Chicken, Beef, Vegetable
Flours + Gluten Free
Tinned and dried fruit
Eggs

All donations need to be within their **use by date**. Wish Cards or cash are also welcome which can be handed directly to the Office Staff.

Thank you to everyone supporting this ministry as we serve our Community.

Mrs Lisa Rockwell

FROM THE ACTING DEPUTY'S DESK

Farewell Year 12

Throughout this week we have had the opportunity to farewell our graduating class of 2020. These students have had significant challenges over the last 12 months, including the interruptions with bushfires, floods and of course COVID-19.

I have been so impressed with the resilience and determination they have shown and how so many of them have continued to have a positive attitude. The renowned educational research John Hattie recently commented that we should be watching this group carefully as many of our future leaders will come from Year 12 2020. Challenges can refine our character and teach us many lessons.

I have been and will continue to be praying for our Year 12 students. Particularly that they would know 'the Peace of God that surpasses all understanding and that it will guard their hearts and minds in Christ Jesus'

Year 9 Subject Lines 2021

I will be communicating to Year 9 students over the coming two weeks the subjects that will be running in 2021. I will have individual conversations with students who missed out on main and reserve preferences.

Edumate App

I hope you have had the opportunity to download the new Edumate App for mobile phones. The App will allow parents quick access to many functions. Specifically, parents will be able to:

Verify and acknowledge absences; Approve Excursions; View events and tasks; see WAC communications; Review your child's timetable; see the College Calendar

Finally I wish you all a wonderful and restful break and look forward to all that Term 4 will bring.

Mr Paul Burns

Acting Deputy Headmaster

T-4 Pick-up

Parents and Carers of Junior Years students (T-4), who need to leave their vehicles to pick up children are requested to please wear a mask, maintain physical distancing, not congregate together and depart in a timely manner.

Please Note:

A reminder to parents and grandparents; please DO NOT park in the designated "Staff Parking" Area in the corner near the Deakin Admin Building at any time.

Thank you

TEACHING AND LEARNING 7-12

Year 12 Showcase via website

The College is excited to launch the **Senior Showcase - a virtual online extravaganza of major works!** Unfortunately due to COVID many of the Year 12 HSC students were unable to exhibit their major works - most of which have been worked on since Term 4 2019.

The College would normally host a performance evening in which these works would be on display and students would be able to perform their music, dance and drama pieces in front of a live audience.

However, the College has developed a way to ensure all Year 12 students, and their family and friends will be able to view and watch some of what the students have created over the past 12 months. You will be able to watch and celebrate what they have done and even be able to send words of encouragement to the students via the feedback tab.

The online exhibition will be available on the College Homepage from 7.00 pm Thursday, 24 September to 9.00 am Monday, 12 October 2020.

It features work from subject areas such as - Dance, Drama, Design and Technology, Industrial Technology - Multimedia, Music, Science extension and Visual Arts.

Many thanks to Mrs Belinda Taylor who has built the webpage for the major works but to all the teachers, Teaching and Learning Coordinators and the Development Manager who have assisted in the process: - Mrs Sarah Talbot, Dr Andrew Eaton, Mrs Julia Ware, Miss Kara Valente, Mr Lloyd Grant, Mr Simon Denley, Mr Ben Jones, Mr Brad Milburn and Mr Alex Hitchins.

Farewell Year 12 2020

All of Year 12 received a letter from the College last week outlining procedures for the upcoming HSC exams. I just wanted to take this opportunity to wish Year 12 all the very best with their upcoming exams and that we as a College are continuing to pray for them. May they carry through life many of the lessons they have learnt during their time, and may all that they do be for His name.

Good Luck and God Bless.

Mrs Kelly Evans

Acting Director of Teaching and Learning 7-12

Do you need to make a payment to the College??

Due to the new COVID restrictions, we would like to encourage you to make payments over the phone via credit card for College fees, replacement diaries etc.

Please call the office between 8.00 am - 4.30 pm on 4684 2577.

PASTORAL CARE T-12

Long Service Leave

I am writing to make the College Community aware that I will be taking Long Service Leave for the duration of Term 4 2020. Mrs Madden will be stepping into the Acting Director of Pastoral Care T-12 role and Mr Tim van Netten will be stepping into the Acting Senior Years Pastoral Care Coordinator 9-12 role during this time period.

Both Mrs Madden and Mr van Netten bring a wealth of experience to these roles as well as a strong understanding of student wellbeing and a commitment to these significant Pastoral Care roles. Mr van Netten will maintain his current role as Year 10 Patron whilst taking on the additional aspect of Senior Pastoral Care Coordinator.

Please ensure that you follow the correct process regarding the raising of pastoral matters or concerns, which would be to make initial contact with the Year Patron. Should you require further support or Assistance, the matter may be referred to a Pastoral Care Coordinator or in significant or ongoing matters to Mrs Madden.

House Charity Day

On Friday, 25 September the College will be running a House Charity Day. It is a tradition at the College that the last day of Term 3 is a House Charity Day supporting an outreach program or mission. This year the College will be supporting the WAC Kids Care Meals Ministry. This will assist with the purchase of ingredients for meals or collection of food items that these meals will be comprised of.

Students are encouraged to support this through making a Gold Coin Donation or bringing a food item from the list below:

- Rice, Pasta, Noodles and Lentils
- Tinned Vegetables eg Kidney Beans, Corn and Tomato
- Sauces eg Passata, Sweet & Sour and Curry bases
- Stock - Chicken, Beef, Vegetable
- Flours + Gluten Free
- Tinned and dried fruit
- Eggs

Students in Years T-11 are to wear their coloured House Shirt and PE/Sports Shorts or full College Sports Tracksuit. Students can also wear alternative socks and hat on the day.

A further tradition on the last day of Term 3 is the College Talent Quest for Year 5-11. This will be shown via Zoom during Period 6 on this day. This will occur in normal timetabled classes, it will not involve changes to the Periods or an earlier lunch time.

A system of on line voting will occur to determine the winning act, this will take place in classes during the Talent Quest. This is a great opportunity for students in Performing Arts to showcase their talents as well as ensuring, despite the restrictions, that there is an opportunity for students to be involved in this much loved tradition.

Mr Liam Toland

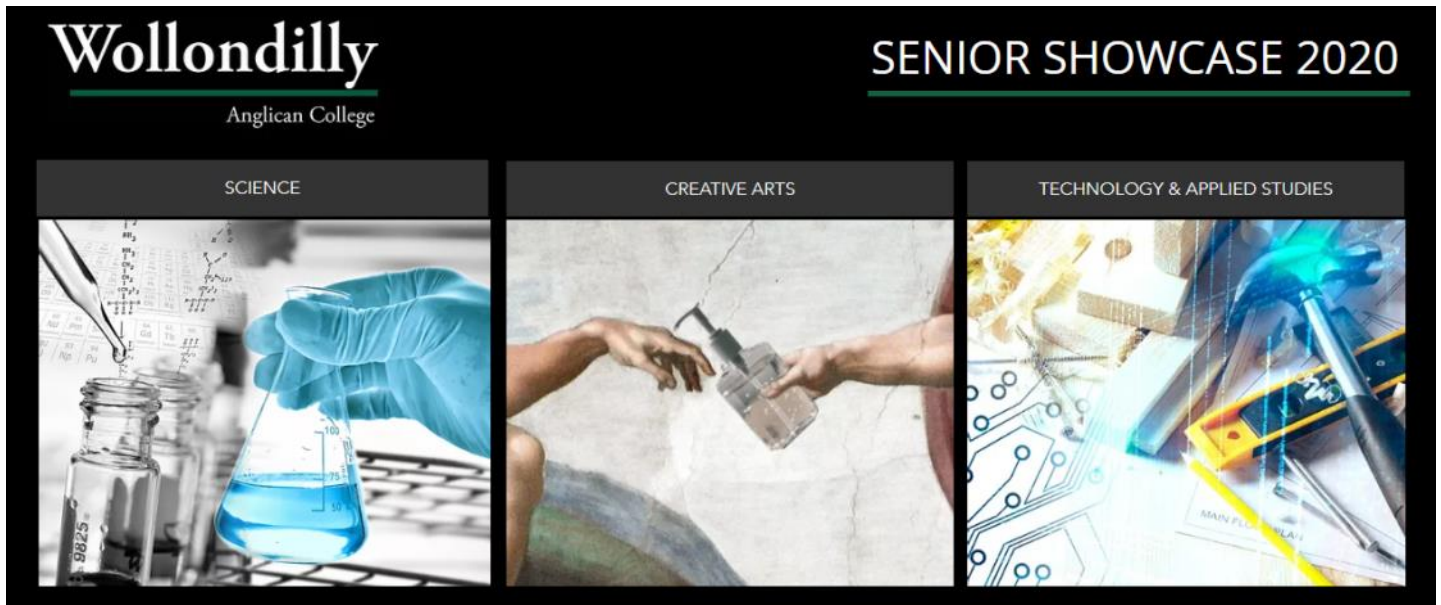

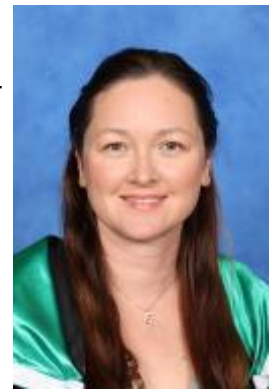

Director of Pastoral Care T-12

CREATIVE ARTS NEWS/LANGUAGE NEWS

Creative Arts News

Our HSC teachers are very excited to launch the Senior Showcase website this evening. Follow the link from the College homepage and you will be able to view samples of each of our student's Major Works from their respective art forms.

Also, we want to thank Mrs Taylor who has built the website on behalf of the team. There have been many hours of work put into it and we hope you enjoy it!

Make Art NOT Landfill

Each year Wollondilly Shire Council has a 'Waste to Art Competition and Exhibition'. Students at Wollondilly Anglican College will have the opportunity to participate in the creation of a large scale artwork for exhibition in 2021. If students are interested in participating please come to Melba 3 art room at Lunch on Fridays in Term 4.

WANTED: In response to the 'Waste to Art Exhibition' we are in need of your recycled pen and texta lids in all the colours. When your pen or texta are all dried out, can you please save the lids. Lids can be given to Mrs Taylor at any time, or taken to Student Reception.

PASTORAL MATTERS - MIDDLE YEARS 5-8

Social Emotional Literacy - Empathy

Empathy is the ability to understand the emotions of others. Empathy helps us understand how others are feeling, what their motivations are, and what their perspective might be. Without empathy and respect for others, it's easy to act in ways that hurt other people.

There are many ways students can get what they need without having a negative impact on others, and it's important to help them learn the skills to do this.

Developing empathy is important as it teaches us to reflect, observe and think about our own behaviour. It helps young people to notice and name feelings and communicate them to others appropriately.

Here are some things that you can do to help your child develop the ability to understand the emotions of others:

- Talk often about feelings in life. Talk about feelings in real-life situations, or examples on television.
- Ask them what they notice. What do they believe people are feeling, based on their non-verbal communication - facial expressions, body language, and tone of voice? Labelling these feelings will help them think about and understand others.
- Help them understand the other person's point of view. Ask them what they think the other person might be thinking, or how they might see the situation. Ask them what the other person might want to happen and why.
- Model empathy. The best way to teach empathy is to live empathy.

Service Learning Projects

The service learning projects continued this week and are moving along well. Groups have designed, planned and are now starting to create some wonderful selfless projects.

Projects in the Middle Years include fundraising concepts for African Aids Foundation and the Silver Coin Project, as well as creative projects like bug hotels and bee baths.

Groups are really needing to think outside the box to take on some of the challenges that the current social distancing requirements have created. Adjustments they have made include creating digital content to support their Junior peers and developing contactless ways to connect with and maintain our community partnerships.

Mr Stuart Houweling

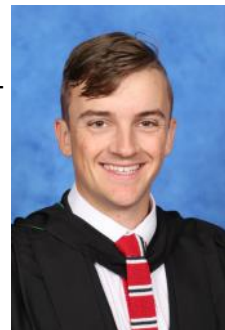

Pastoral Care Coordinator 5-8

Lost Property

Due to recent COVID-19 restrictions, all **labelled** lost property will now be sorted and items returned to your child/rens teacher or roll call teacher.

Unlabelled clothing will be donated to the Clothing Pool.

PERFORMANCE NEWS

Talent Quest

The Talent Quest scheduled for Friday this week is going ahead via ZOOM. We had an incredible number of audition tapes sent in. This year, with this unique opportunity to have videos of students showcasing their talent that they might not normally be able to showcase, the Talent Quest will have a distinctive feel.

Students in Years 5-11 will have the Talent Quest streamed to their Period 6 classes and in a slight twist, with the technology now in play, the winner will be decided by a joint point score between 'Student Vote' and 'Judges' Choice.

Good luck to the following participants:

Year 5 Cheer Group

William Fussell	Year 5
Ammeli King	Year 6
Hemi-George McDonald	Year 6
Emily Galea and Zoe Smith	Year 8
Agnes Abdelmalek	Year 9
Hayley Underwood	Year 10
Beni Meier-Kapavale	Year 11

Ensembles and Groups for Term 4

Working under the presumption that COVID-safe requirements will remain the same as the later part of this term, all Ensembles and Groups will return to Term 4 under the same modifications with bi-weekly rehearsals for some groups, different venues for others and via-online means in some cases.

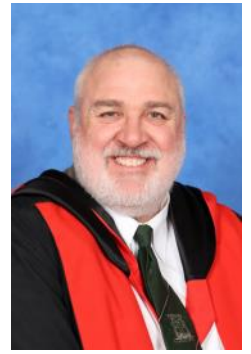

I would again like to thank the ensemble and group leaders for their hard work continuing to provide students with the opportunity to participate in Music, Dance, Cheer and Visual Art groups despite the difficulties of managing a safe environment for our students. I look forward to what progress our groups and ensembles make next term. Enjoy a well-deserved break to all!

Mr Lloyd Grant

Acting Performance Coordinator T-12

SECONDARY TOURNAMENT OF MINDS 2020

On Wednesday, 9 September, four Tournament of Minds teams from Years 7-10 submitted their short films to the Sydney South-West region. The Challenges stretched all teams (one STEM and three Social Science teams) this year and all teams did the College proud. The first Social Science team of Eliza Eaton (10), Paris Obakpolo (10), Ridhima Saroya (10), Chelsea Luppino (10), Jasmyrn Spinks (10) and Hagen Bossie (10) explored issues surrounding marketing of beauty products and the influence they have on teenage body image.

The second Social Science team of Sophie Tapp (10), Teri Hemmert (10), Amalie Borthwick (8), Shelby Luppino (8), Matilda Lockyer (8) and Bailey Hoffman (8) explored the development of feminism over time and the major themes associated with each generation.

The third Social Science team of Jennifer Wales (9), Charlotte Fisher (8), Caleb Boardman (8), Ethan Hurst (8) and Ethan Whishaw (8) explored the issues surrounding depression and linked it to Holocaust survivor and renowned psychotherapist Victor Frankl. The STEM team of Maddelyn Phillips (8), Alec Bennett (8), Audrey Darby (8), Kate Betteridge (8), Shaun Parasher (9), Aaron Landrigan (10), and Joshua Phillips (10) constructed a rudimentary device to deliver an anti-viral cure to the Plague, which was based on a recently uncovered Middle Ages elixir.

Congratulations to the third Social Sciences team, which was awarded Honours (equal second), and the STEM team, which were awarded Merit (1st Place)!! Also, a huge 'Thank you' to Madilyn McKinley (Former Year 12 student) for her mentoring.

Dr Andrew Eaton
Science Coordinator

YEAR 9 PASS WHEELCHAIR SPORTS

On Friday, 18 September, the Year 9 Physical Activity and Sports Studies (PASS) elective class have been studying "Physical Activity for Specific Groups".

As part of this unit they have been looking at the needs of people with a disability and opportunities for physical activity. To complement their study of the unit, Year 9 PASS participated in a "Wheelchair Sports" incursion run by Wheelchair Sports NSW.

The students had a great time learning to navigate the wheelchair and engaging in games of wheelchair basketball. Through the experience, students gained a greater appreciation for people with a disability and their capabilities when playing sport.

LIBRARY NEWS

T-2 Book Parade Friday, 23 October, 1.35 pm

Tembo and Twiga, all of Kindergarten, Year 1 and Year 2 will take part in the Book Parade. Outside visitors will not attend this year. Students are to come to the College in their College sports uniform, as usual, and bring a costume they can change into themselves or put over their uniform.

The costume should be of a book character, or reflect the theme 'Curious Creatures Wild Minds'. Students can hold the book or a sign with the book title and author.

Video and photos of the event will be made available to parents afterwards.

Years 3-6 Book Week Competitions - Weeks 1-3 of Term 4

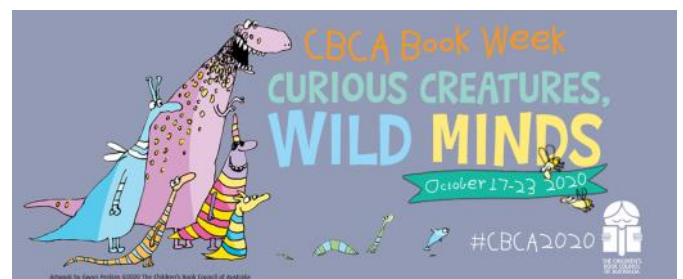

A range of tasks for each year group will be completed in Library Lessons with book prizes for the best entries.

Carnival Virtual Book Fair Monday, 12 October to Monday, 26 October

SCHOLARSHIPS 2022/2023

I am delighted to advise that the Wollondilly Anglican College Scholarship Program will be opening soon for academic and creative arts scholarships commencing in 2022.

The College Headmaster may award a number of scholarships offering partial fee remission for each year in the areas of Academic, Music and Dance. Most scholarships will be awarded for two years and are conditional on the continuation of the relevant criteria being met. They will be available to students currently enrolled at the College or at other schools. Students who are studying in Years 6, 8 and 10 in 2021 may apply for a scholarship as they enter their next stage of learning.

Application Process for Scholarships

Academic Scholarships

- Complete the scholarship application form and return it to the Enrolments Officer, Mrs Kristy Biddle with the supporting portfolio.
- Complete the online application with ACER at <https://scholarships.acer.edu.au>. (Parents will need to create a Parent Account, from which they can register their child for the scholarship test at Wollondilly Anglican College. A \$100.00 application fee is also payable to ACER as part of the registration process).
- For Academic candidates, be available to complete the scholarship test on Saturday, 27 February 2021.

Music and Dance Scholarships

- Parents should complete the scholarship application form and return it to the Enrolments Officer, Mrs Kristy Biddle, with the supporting portfolio.
- Music/Dance scholarships need to be accompanied by a scholarship application processing fee of \$100.00.
- Short listed students will be required to audition before a panel at a later date to be confirmed. There will not be an additional audition fee.

Applications will open on Tuesday, 29 September 2020 and will close on Friday, 5 February 2021. The closing date is final and late applications cannot be accepted.

A comprehensive information pack and application form is available for download from the College website. Alternatively, all information and forms are available from myself at the College Office.

Should you have any further general queries, please do not hesitate to contact me on 4684 2722 or at k.biddle@wac.nsw.edu.au.

STUDENTS LEAVING AT THE END OF 2020

If your child will not be attending the College in 2021, please give written notice by the end of Term 3 so that your bond may be returned and to avoid Term 1, 2021 fees and charges as per the agreed Terms and Conditions of Enrolment.

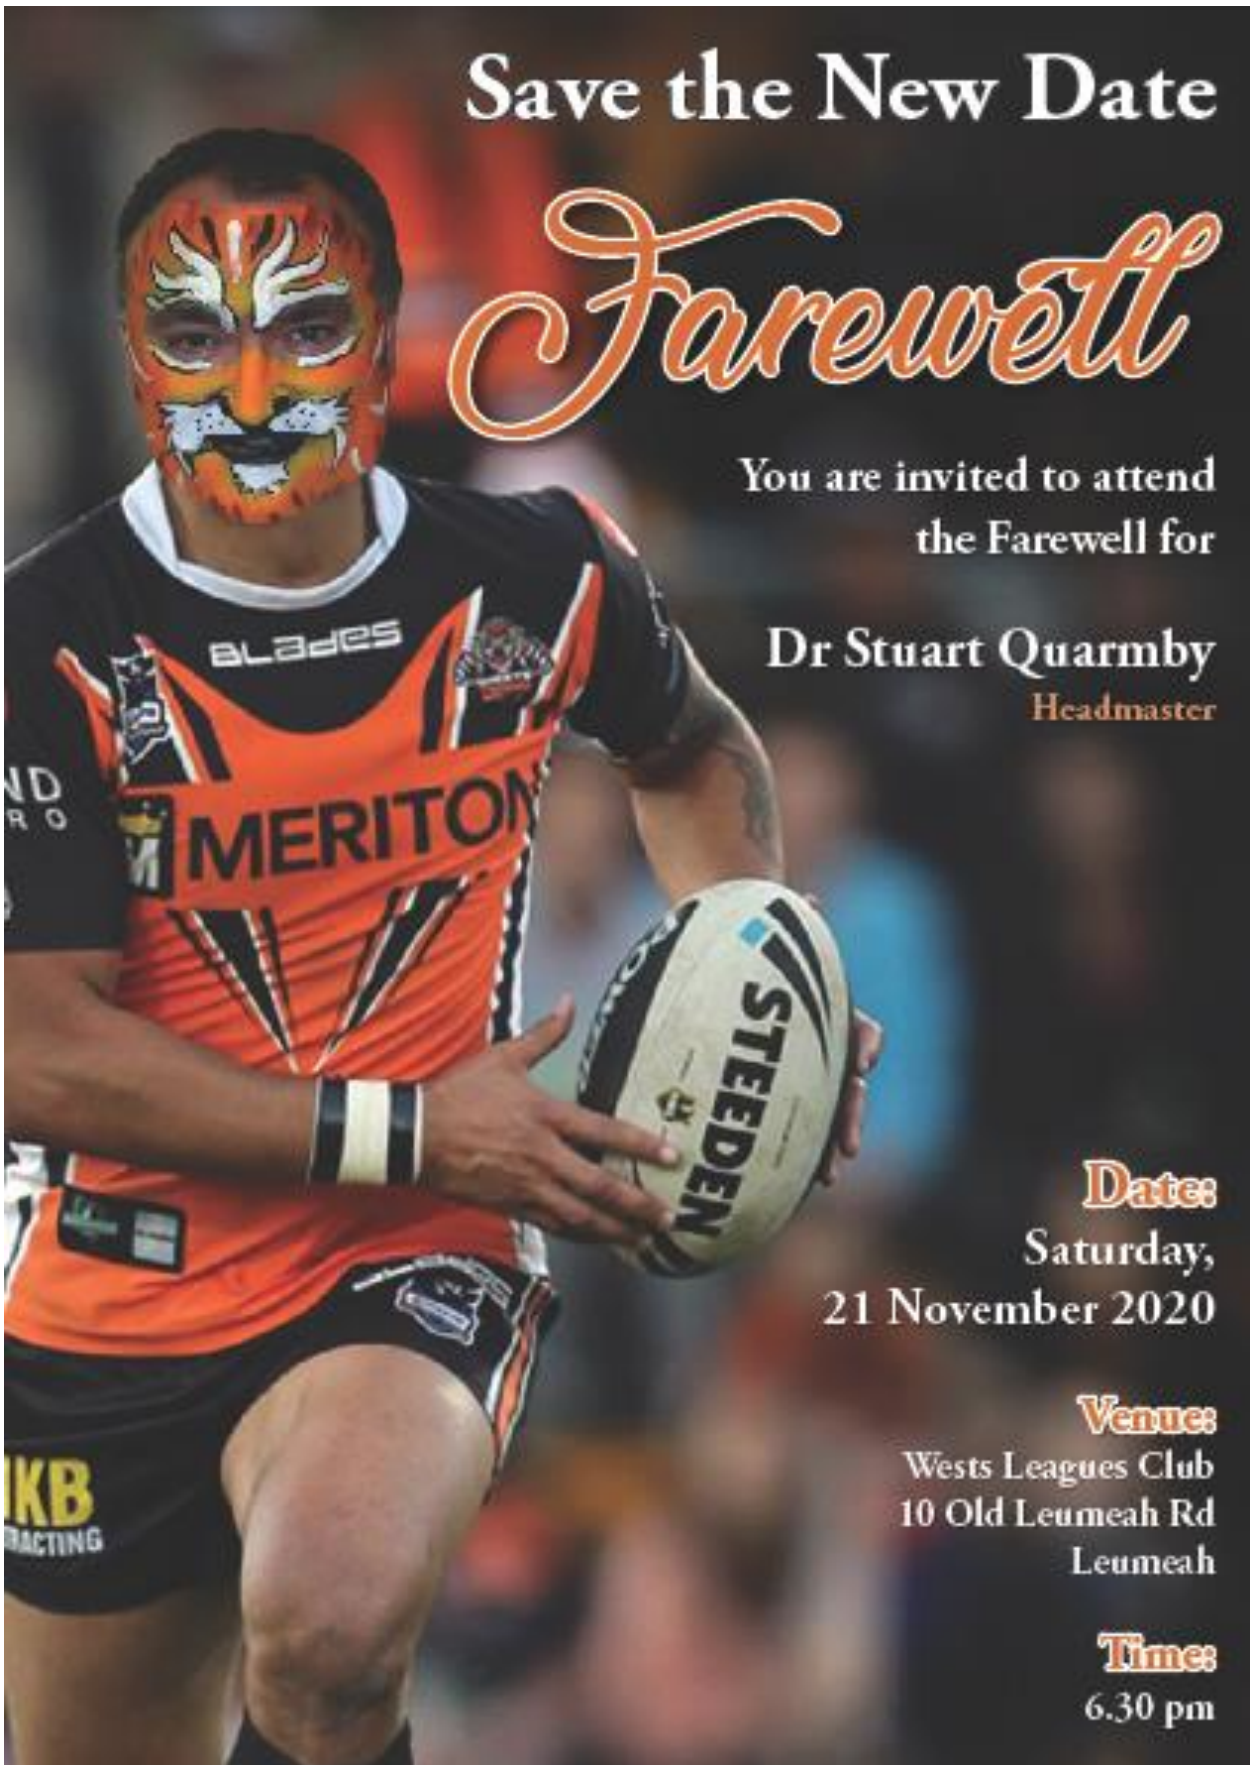

Should you have any further general queries, please do not hesitate to contact me on 4684 2722 or at k.biddle@wac.nsw.edu.au.

No CORRESPONDENCE ENTERED INTO

No one knows about the day or the hour, not even the angels in heaven, nor the Son, but only the Father.

(Matthew 24:36)

Tomorrow never comes OR tomorrow always comes, this just depends upon your perspective.

To just live for today is to crucify tomorrow.

Exceptional wealth or poverty is constructed by the decisions of today. But, these are only temporal.

Jesus taught about tomorrow very deliberately! But, His tomorrow was so much larger than human plans can ever be.

He taught the eternal paradox that tomorrow is gained by losing today. The future is already in place for me. It simply awaits the Father's perfect timing.

There is no doubt as to this reality. It can't be ignored.

There is no doubt as to its absolute correctness. God makes no mistakes.

God has prepared it. Jesus will deliver it. I hold on to it.

His intentions are clearly signaled. Jesus' decision is final.

No further correspondence is possible.

We must pay more careful attention to what we have heard, so that we do not drift away.

(Hebrews 2:1)

PRETEND HEADMASTERS

Pretend Headmaster - Darwin Noakes (KF) is jumping for joy for the upcoming College Holidays.

We would like to wish everyone a safe and fun break.

Prayer Points

Please thank God:

- That despite the COVID-19 risks, our students and staff have been safe and lessons have continued On-Campus.
- For the continued growth in our enrolments.
- For the understanding and support of our parents during Term 3.

Please ask God:

- For comfort and support for the staff, students and parents at Clancy Catholic College following the loss of one of their students.
- To grant our Year 12 students strength and the ability to remain calm as they prepare for their HSC Exams.
- For clarity and wisdom for the panel searching for the new Headmaster for our College.

Psalm 127:1 Unless the Lord builds the house, its builders labour in vain.

Excellence, Endurance, Eternity.
