THE WARATAH WEEKLY

Endless is the Victory

Acting Headmaster

As We Grieve Together Jesus Grieves With Us Too

'As we grieve together Jesus grieves with us too'. These are some of the words of support Dr Quarmby sent from Germany to the staff on hearing about the loss of Mr Peter Hazlewood.

Staff and students at the College are deeply affected by the news. Peter was many things to many people - a Colleague, Teacher, Friend, Mentor, Husband, Father, Brother, Son, a Father figure and a successful Coach of the staff Oz Tag team.

As staff and students have reflected over the last few days on his life as we knew him, it is evident that even though we have identified the important roles Peter played, he was much more than this. Peter had a larger than life personality and he lived his life with a passion which reflected his joy of living.

This joy came from his relationships with people, but particularly his relationship with God and his acceptance of Jesus in his life. Through his prayerfulness, warmth, humour, wisdom, integrity and care of others Peter had a deep and lasting influence on the lives of the students, staff and many parents at the College.

While the College is providing counselling support for the students and staff, prayer is a powerful means of drawing our College Community together and sustaining us as we navigate a way forward. Please pray for Peter's family that they will find some comfort and strength. The staff and students at the College and Peter's previous school, Thomas Hassall Anglican College, will also appreciate your prayers.

We are thankful for the outpouring of messages and offers of support from our College families and members of our local community. We have also received prayer and practical support from many other schools and Colleges in our extended local area.

By grieving together as a community and drawing on our faith we feel great comfort and strength. I have included below part of a Waratah Weekly article Peter wrote in early 2018. I hope you are able to draw strength and encouragement from his words and faith. I know this has been helpful for one College family already.

In Romans 5:3-5 it says:

"More than that, we rejoice in our sufferings, knowing that suffering produces endurance, and endurance produces character, and character produces hope, and hope does not put us to shame, because God's love has been poured into our hearts through the Holy Spirit who has been given to us."

This verse, in particular, comes to mind as I reflect on some of the conversations I've had with parents and students. The idea that suffering produces endurance is not only a logical concept but one that God communicates to us very clearly in this passage. Not only that, God goes a step further and promises that this endurance will produce in us character and that this character will lead to hope.

Jesus' example is perhaps the ultimate demonstration that persevering through suffering does, in fact, lead to hope. This has certainly been my experience. Students, parents, friends, family and staff, no matter what you have faced or may still be coming to grips with now, my encouragement to you all, is that through your struggles and the challenges, God is at work in you. He is building perseverance and character in you, and on the other side of what you are dealing with, there you will find hope.

Wollondilly is full of people who are ready and willing to listen, take action and support each other. I've seen it from the staff, students, parents and the leadership team. We need not face these challenges alone. Continue to share in your struggles, carry each other's burdens and continue to press on. What a blessing it is to belong to a God that wants you to turn to Him. He wants you to come to Him in your trials.

Peter will be mourned and missed but we will hold onto the positive and enduring impact he had on our lives and the knowledge that he is now with God.

PASTORAL MATTERS - SENIOR YEARS 9-12

A warm welcome back for Term 4!

A significant degree of transition has taken place for our senior students. The final week of Term 3 was a special one for the College as our Year 12 students graduated and Year 11 students completed their Preliminary studies.

There were many celebratory activities which took place including the Year 12 morning tea (hosted by Year 11), Staff vs Students Oz-Tag game, Senior Charades Finalists Morning Tea, Graduation Assembly, Talent Quest and Year 12 Formal.

We continue to uphold Year 12 in prayer as they study and complete their final exams.

“Trust beyond the borders of what I can see, courage to believe in what is greater than me.”

Year 9-10 Pastoral Care

On Friday, 20 September the first ever 'Strong Girls Soar' Seminar was held at the College. This involved six creative mini presentations developed and delivered by female students in Year 9 and 10. The topic areas included:

Expectations, Stereotypes, Comparisons, Body Image, Mental Health and Perceptions of Men.

It was encouraging to witness the students engaging with each of the presentations, involving themselves in the various activities and discussions, and showing confidence in expressing their opinions and sharing their personal stories. Our hope is to provide future opportunities for events such as this. Many thanks to Mrs Evans, Mrs Cochrane and Year 12 Hospitality for preparing the amazing morning tea which was enjoyed by the students.

Goal Setting

The start of a new term provides all students with the opportunity to reflect on their behaviour, habits and academic progress and set some new goals for specific areas they would like to improve on.

The following six tips for 'Setting Goals like a Boss' provided by Reach Out, can be a useful guide for students.

1. Work out what you want - focus on what you want to do, not on what you think you SHOULD do.
2. What do you enjoy? - identify five things you enjoy doing. Can they help you achieving your goals?
3. Start small - small goals are easier to achieve which gives a sense of satisfaction.
4. Define your goal - make it SPECIFIC, ACHIEVABLE and with an ENDPOINT.
5. Break it up - set mini goals to help you stay motivated.
6. Set a time frame - deadlines help you to stay MOTIVATED. Set dates for achieving each mini goal.

PERFORMANCE NEWS

Musical - Bring It On!

We will host auditions for students in Years 7-11 2020 at our next Monday afternoon rehearsal. Students who would like to audition for a main role should prepare a short song. All students will be taught an ensemble song and asked to participate in some dancing and acting so that we can determine the best place for everyone within the cast.

Please note, students who commence at the College in Term 1 2020 will still be able to join the cast. Students in Years 5 and 6 in 2020 will also start attending rehearsals in Term 1.

Students will be provided with a note outlining the expectations of participating in the musical at their first rehearsal. Students who have not signed up may still attend rehearsal/auditions on Monday.

Set Design will also commence in Week 2.

Stage Crew are not required to attend rehearsals at this stage.

Talent Quest

On Friday at the end of Term 3 we enjoyed a Talent Quest. This was a fun way to finish the Term and I would particularly like to thank and congratulate our performers and stage crew for their work, and I would like to thank the staff who volunteered to judge or audition participants.

It was also a great opportunity to hear from our fundraising partner, Mission Aviation Fellowship.

MISA Drama PIP Day

On Wednesday, 16 October our students attended the third annual MISA Drama PIP Day, held at Thomas Hassall Anglican College. We would like to thank Thomas Hassall for hosting in lieu of Wollondilly at very short notice. Our students enjoyed the day and those in Year 10 are already looking forward to next year's event.

PERFORMANCE NEWS CONTINUED

Upcoming Events...

O Day

On Saturday, 26 October our College will host its annual O Day (Orientation and Open Day). Our College Strings, College Vocal, Junior Strings and Junior Vocal ensemble students will be invited to perform at this event along with some soloists.

Please return your permission slips as soon as possible to your ensemble leader or Mrs Talbot so that we can plan for this event.

Year 9 Drama Excursion - Fan Girls

On Thursday, 24 October, our Year 9 Drama students will have the opportunity to watch a newly developed performance titled 'Fan Girls' by Yve Blake.

Fan Girls is a thrilling new musical by a barnstorming young talent called Yve Blake, who is also playing Edna. The show takes a darkly humorous approach to exploring love and other big feelings in the age of the internet. This is a wonderful opportunity for our students to experience live performance, enforcing the importance of the skills we develop in our own Drama classes.

Students have received a detailed permission note about this event and should return signed permission slips as soon as possible.

Year 11 Drama Excursion - Cosi

On Tuesday, 12 November, our Year 11 Drama students will have the opportunity to watch a Sydney Theatre Company Production of Cosi at the Sydney Opera House.

Cosi is a much-loved Australian play which celebrates Australian identity, the complexities of adult life and the madness of war. This is a wonderful opportunity for our students to experience live performance, enforcing the importance of the skills we develop in our own Drama classes. In addition, it speaks to our study of Australian Drama and Theatre which must be studied as part of the HSC Drama Course.

Students have received a detailed permission note about this event and should return signed permission slips as soon as possible.

Year 10 Drama Excursion - Cirque Du Soleil

On Wednesday, 13 November, our Year 10 Drama students will have the opportunity to watch the spectacular 'Cirque Du Soleil: Kurios' performance.

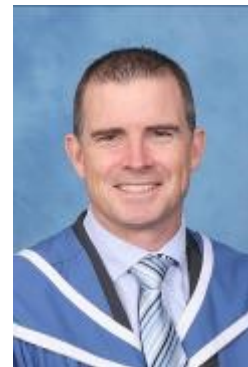

Kurios explores the world inside the curio cabinet of an ambitious inventor who defies the laws of time, space and dimension in order to reinvent everything around him. The show will display exemplary work in physical theatre and clowning performance which students have studied this year. This is a wonderful opportunity for our students to experience live performance, enforcing the importance of the skills we develop in our own Drama classes.

Students have received a detailed permission note about this event and should return signed permission slips as soon as possible.

'MY TECH' 2020

In 2020 our 'MyTech' program will have been rolled out to every student in the Secondary Years and all students will be bringing their own device to College. For those students in Year 6 who are wondering what this requires I will be providing more information at the Orientation Day on Saturday, 26 October. If you are wanting to know more about 'MyTech' and the specifications for devices before this, the information can be found on the College website <http://mytech.wac.nsw.edu.au>.

To assist you with the process of purchasing a device we have produced a Question and Answer Booklet that can be downloaded from the above website. This booklet provides answers to all the frequently asked questions about 'MyTech'.

Once you have purchased a device it is important to install all the required software. This software can be accessed at <http://mytech.wac.nsw.edu.au/software.php> free of charge, this also includes free access to Office 365. Those students going into Year 7 in 2020 will be able to access Office 365 once Term 1 begins and will be given more details about this at the 'MyTech' connect sessions at the start of the year.

If you have any specific questions that are not answered on the website, you can email them to mytech@wac.nsw.edu.au.

DEUTSCHES FRÜHSTÜCK - KLASSE 8

A highlight at the end of last term was the Year 8 German breakfast which culminated their units of learning about Food and Drink, and Restaurants and Cafes in Germany.

A variety of typical German breakfast food and drink was on offer (including Schinken, Käse, Kakao, Brötchen, and Leberwurst). Experiencing a German breakfast first hand makes the culture come alive to students and forms a valuable part of their language learning journey.

The Year 8 students did a tremendous job of asking for their food in German and tasting a range of new foods.

Year 11 are also to be commended. They ably helped set up the breakfast and led the way in using German to serve the Year 8 students.

Many teachers were also seen enjoying the yummy breakfast, and our thanks go to those who helped out with scheduling the breakfast in busy lessons!
