

THE WARATAH WEEKLY

Endless is the Victory

Bad Things Can Happen To Good People

I read something this week that helped me and I hope it will help you too. It was sent to me by Mr Schroder, who is a thoughtful kind of bloke. It was the story of a fellow named Horatio Spafford. With a name like that it could be expected that life would be tough, but it wasn't, at least at first - but more on Horatio later.

At church on Sunday I heard something that helped me and I hope it will help you too. The visiting minister, Rev Andrew Matthews, spoke on Psalm 73. At first the Psalm did not seem like it would be helpful at all. Basically Psalm 73 starts off with an acknowledgement of God being good to Israel and then descends quickly (beginning in verse 2) into a rant (ending in verse 12 - thankfully) about how bad people, dropkicks and ratbags, seem to be leading great lives whilst the author (verses 13 to 16), a self-proclaimed virtuous, kindly, pure-hearted do-gooder is left poverty stricken on the bench; sidelined from the main game. Bad things can happen to good people. Then the Psalmist does something that is not as common out there as it probably should be: He goes to Church. The context is not clear, but there he is reminded of something pretty important: God is always with him (v23); God holds his right hand, gives him counsel and at a time of God's choosing, takes him to glory. God knows what happens to those who reject God. Their rewards are here, but only for a lifetime. There is no towbar on a hearse.

Back to Horatio Spafford. He was a prominent lawyer and business man in Chicago in the late 19th Century though most church goers would recognise the unusual name at the bottom of the popular Hymn "It is well with my Soul". You know the one -

*"When peace like a river attendeth my way,
When sorrows like sea billows roll:
Whatever my lot, Thou has taught me to say,
It is well, it is well with my soul".*

In October 1871, the Great Chicago Fire brought the city to ashes along with all of Horatio's material possessions. Desiring a respite for his devastated family, he sent his wife and four young children on a ship for a holiday in Europe, where he would join them later. His family's ship, the Ville de Havre, would never make it to Europe. While crossing the Atlantic the steam ship was struck by a passing iron vessel and 226 passengers lost their lives, including his eleven year old Tanetta, nine year old Bessie, five-year-old Margaret Lee, and two year old Annie. Only his wife survived, sending him a telegram from England with the simple words, "Saved alone."

Horatio Spafford took the journey across the Atlantic to meet his shattered wife in England. Some distance into the journey, the captain notified Horatio that they had reached the spot where the Ville de Havre had gone down just a few weeks prior. This was the watery grave of his beloved daughters. It was in that moment, at that spot in the open sea, that Horatio Spafford wrote the song "It is well with my Soul". (Source: Stephen Crawford, Austin Stone Worship - edited)

Why would someone write "It is well with my Soul" when he had suffered such an immeasurable loss - his livelihood and his four children? Why would the Psalmist decide to stop envying wicked people?

There is a saying going around which runs something like this - "The Bible reassures us that God will never give us more than we can bear" this is balderdash. It doesn't pass the Pub test. Please never say that to a person who has recently lost a soulmate or a young person facing chemotherapy. The reverse is true. God sometimes gives you more than you can bear. When you go past the point of being able to solve everything for yourself; of being able to rationalise and sanitise everything through logical cause and effect - that is when you fall to your knees - ... and when the fog glides away ...

... and you notice that your hand is being held by the God who loves you

Wollondilly Anglican College

PRE-KINDERGARTEN TO YEAR 12

The College Headmaster is inviting applications
for the following roles to commence in 2020:

Teaching Positions:

TAS

Primary

Support Staff Position:

College Psychologist

(Full time/Possible Part Time)

WAC1379 WEBSITEJAS

For more information go to: www.wac.nsw.edu.au/employment

Closing date: Sunday, 10 November 2019

In accordance with Child Protection legislation, preferred applicants will be subject to employment screening

College Event Calendar - Term 4

A reminder to parents and grandparents; please
DO NOT park in the designated "Staff Parking" Area in the corner
near the Deakin Admin Building at any time.

Thank you

FROM THE DEPUTY'S DESK

Remembrance Service - Mr Hazlewood

In previous communication to parents we indicated that we would hold a Remembrance Service for Mr Hazlewood. The purpose of this is to honour him and provide an opportunity for students, staff and parents to share as a community in a celebration of his life. This may be particularly important for those members of our community who were unable to attend Mr Hazlewood's Memorial Service.

The Service will be held on Thursday, 21 November at 7.00 pm under the Shoulder to Shoulder Shelter. Attendance is optional, however the students who choose to attend are expected to wear their College uniform.

Many parents have already generously offered support to Mr Hazlewood's family, however, there will be an opportunity to contribute to a collection that will go directly to the family unlike the collection at our Family Chapel Services the total won't contribute to House points.

Duke of Edinburgh's Award - Gold Level Kepler Track Journey

A reminder to the students who are undertaking this journey that they should be well into their training and preparation for the trip.

Most importantly the students need to submit a photocopy of their passport's photo page and personal details to Mrs Cochrane by Wednesday, 6 November. We are required to provide these details for the group flight booking.

Acting Middle Years Pastoral Care Coordinator 5-8

Mr Richard Madden has agreed to step into an acting position as the Middle Years Pastoral Care Coordinator until the end of Term 4.

Mr Madden comes to the role with four years of experience as the Middle Years Pastoral Care Coordinator from 2008 to 2011. Following this role he became the Technology and Applied Studies Teaching and Learning Coordinator. A position that he held at the College until 2018.

The College is fortunate to have someone of Mr Madden's experience to manage the role until the end of this year.

Mr Ian Croger
Deputy Headmaster

TEACHING AND LEARNING 7-12

Year 12 Assessment Information Evening

Thank you to those parents and students who attended the Information Evening on Tuesday. Students received their Wollondilly Assessment Information Booklet and their NESAs HSC Rules and Procedures Guide. I spoke to the students about important aspects of the Assessment Policy and specifically covered the following:

- Timing and Notification of Assessment Tasks
- Submission and Marking of Tasks
- Illness or Misadventure
- Late Submission and Non Completion of Tasks
- Unfair Advantage and Malpractice

Further to this information we covered the ATAR and the process for determining final HSC marks.

Students were encouraged to work consistently throughout their HSC year and manage their time well, particularly in Term 4, 2019. Can I encourage all Parents and Carers to read the Assessment Policy and seek clarification if there are questions or concerns. Assessment is a wonderful opportunity for students to demonstrate understanding and progress in their Courses and to receive meaningful feedback from their teachers.

Supporting Your Child During Examinations

With the examination period upon us, I felt it is worth considering the role parents can play in navigating this challenging time. REACHOUT.com offers the following seven tips for parents:

1. Give them time off chores and non-urgent family stuff
2. Encourage them to keep doing the activities they did before the exams
3. Help them set up a quiet study space and make sure the rest of the family understands
4. Chat with them about what they would like to do after the exams finish
5. Remind them to go to bed at a regular time each night
6. Go on study break walks with them and try to cook wholesome meals
7. Make time to chat to them and let them vent

Year 7 Benchmark Day

Next Friday, 8 November, the College is holding the Year 7 Benchmarking day. Year 6 students who are joining the WAC community in 2020 will be completing a number of online tests. These will be used by teachers to assist in meeting the needs of students in Year 7. Year 6 students at WAC will complete these tests at a later date in their classes. In the afternoon Mr Leffley (Year 7 Patron 2020) will be running some activities with both our Year 6 students and the visiting students.

Mr Paul Burns

Director of Teaching and Learning 7-12

Community Service

On Saturday, 9 November the College will hold the Term 4 Working Bee. This is a great opportunity to come and serve in this context and build on the 'We' thinking approach we have at the College. All students are encouraged to attend and spend time serving at this activity. All students who attend will be issued with a Community Service Merit and this will contribute one House Point to the Overall House Shield.

Stress and Anxiety

Stress and Anxiety are emotions that people will experience throughout their lives. Aspects of each can be quite helpful in moving us to do what we need to do to function well in our lives. As we approach periods of exams for many students the tips and direction below are strategies and approaches that can support them to make stress work for them in this context.

However, if you are feeling severe stress and anxiety in different settings and for an extended period of time you should see your GP and get support.

Four ways to make stress work for you

- 1. Read your body differently** - Start to read your stress response as being there to help you prepare for the challenge. Instead of seeing it as a threat, try to see it as a coping tool. When you are experiencing stress, you can say to yourself:
I am feeling a little uncomfortable; my heart is beating faster, but my body is getting me ready to compete.
- 2. Reframe the meaning of the event** - Rather than framing exams as a threat, try to frame them as a challenge. Part of the reason they are seen as a threat is because your whole future, identity and worth appear to be at stake. This is not true. Exams are one very small part of your life that does not decide your whole future.
There are always other options, different pathways and opportunities. Vera Wang failed to get into the Olympic ice-skating team and became a world famous dress designer. Sometimes the path we imagine looks a little different. Not all journeys are straight, and the best ones can have diversions.
- 3. Accept stress and negative emotions** - Some common ways people approach stress is to try to relax, ignore stress and try to reduce it. These approaches actually reinforce that stress is "bad" rather than accepting it as a natural and helpful response. These approaches also lead to poorer performance and emotional exhaustion.
Rather than ignoring the emotions, it's better to feel them, accept them, and then try to use them to your advantage. You can say to yourself:
I feel this way because this goal is important to me, and my body is responding this way because it is getting me ready to perform.
- 4. Add to your resources** - Clearly, changing your mindset is only helpful if you have the resources to cope. It would be like an athlete who is about to compete but has not trained. Put time into study, study in different ways (read, write ideas in your own words, talk about the ideas, draw them) and give yourself time to practise these ideas.
When you have done this, your stress response then draws on these resources.

(Shean 2018)

Mr Liam Toland
Director of Pastoral Care T-12

VALID

Validation of Assessment 4 Learning & Individual Development is an online Science assessment for Year 8. It is optional for private schools for Year 8. In 2019, Year 8 students from Wollondilly Anglican College will be doing the examination.

This examination allows the College to evaluate our Science programs, although students will also receive individual reports as well. Students will do a 20 minute **Sample Test** during class time during Week 3 and 4, requiring them to bring their earphones. The actual **VALID examination** will be run in Week 4, also requiring them to bring earphones. Students will receive further information closer to the sitting date.

EDUCATION PERFECT SCIENCE CHAMPIONSHIP 2019

Students in Year 7 to 10 had a week to answer as many science questions as possible in the Education Perfect Science Championship. Congratulations to the following students:

Credit: April Foster (8), Chris Heng (8) and Shaun Parasher (8)
Bronze Award: Ha Seung Jung (7), Alec Bennett (7)
Elite Award: Annabelle Gibson (8)

Dr Andrew Eaton
Science Coordinator

LIBRARY NEWS

Last Book Club for the Year! Orders due today.

Issue 7 of Book Club is available now. Orders are due by today. All orders and payments are to be made via the website or the Loop App. See the back of the Book Club catalogue for details. It is possible to specify gift orders.

Gift orders will not be handed to the students, parents will be contacted when they arrive and the gift orders can be collected at student reception. This is our last Book Club for 2019.

Mrs Justine Colombo
College Librarian

AUF DEUTSCH BITTE!

Three weeks, five countries and 100s of amazing experiences with a group of Wollondilly students - what an amazing time.

Mrs Carolyn Clark
German Teacher

SECONDARY SPORT

MISA

In Round 2 of the Term 4 MISA competition we had matches against Macarthur Anglican School. The Senior Ultimate Frisbee side notched up another impressive win, beating Macarthur 13-4. In Oz Tag both our teams had comprehensive victories also. In the Girls' match some excellent spins in attack by Aleisha McGookin helped in their 8-2 win. The Boys' team were assisted by six tries from Lucas Hollingworth who was also assisted by a try each from Harry Neich and Dante Machiavello in their 8-3 win.

In AFL it was a last minute loss for the Girls' team who went down by six points in a very close game. The Boys' team also had a loss by 31 points. In Volleyball both games were very close with our sides going down 1-2. In Softball the Girls' team have made significant improvements and this week Keira Jobson was the standout batter in their 4-10 loss. Despite their strong win last week, the Indoor Cricket side couldn't match it with their inform opposition, going down by 55 runs.

Next week we play Mount Annan Christian College (OzTag and Volleyball) and Broughton Anglican College (AFL, Frisbee, Cricket and Softball).

NASSA Basketball Gala Day

Last Thursday we sent four teams to the NASSA Junior Basketball Gala Day. Both Girls' teams won all their preliminary matches and faced off against St Luke's Grammer School in the Grand Final. Despite their efforts, both teams lost the final and finished in 2nd place, an excellent result overall! The Under 15 Boys' side made it through to the 3rd v 4th playoff however couldn't take the win in the final. The Year 7 Boys' team finished the day in 5th position. A big congratulations to Morgan Botha (Year 8) who was selected in the U/15 NASSA side to compete at this week's AICES event.

NASSA Cricket Gala Day

On Monday we had two teams attend the NASSA Cricket Gala Day. The Seniors had a great day finishing in 3rd place overall, only losing one match for the entire day. The Juniors had some tough opponents and lost their initial matches, however, finished with a positive win over Broughton Anglican College.

Thanks to Mr Russell and Mr Leffley for coaching these two sides.

Upcoming Events

Friday, 1 November

NASSA AGM

Friday, 22 November

NASSA Year 7 Netball Gala Day

Tuesday, 10 December

Years 7-9 Pool Day

Junior Basektball side (Year 7 Girls' team)

Open Boys' Cricket side

SECONDARY SPORT CONTINUED

The CIS Triathlon took place at the Sydney Regatta Centre with April Foster (Yr 8), Amalie Borthwick (Yr 7) and Sophia Whishaw (Yr 8).

They competed in the Intermediate Girls' team triathlon and thoroughly enjoyed themselves on what turned out to be a beautiful, warm day - perfect conditions for a race.

They had a competitive spirit and sought to beat their personal best times against formidable opponents.

Unfortunately they missed out on qualifying for the next level however, there's always next year!

Mr Mark Goldsbrough
Secondary Sports Coordinator

PRIMARY SPORT

IPSSO

The Oz Tag teams had mixed results against St Gregory's College. The Stage 2 team won their game 9-8 in a close battle that saw end to end action. Max McPherson and Will McPherson combined for some great tries but it was defense which saw the team secure victory. St Gregory's were too strong for the Stage 3 team.

The cricket teams also battled against quality St Gregory's College teams. The Stage 2 team put together a decent total to defend, however it wasn't enough. The Stage 3 team also lost they bowled some tight overs but just couldn't get a wicket to break the oppositions opening partnership.

The Soccer Girls' teams were fantastic in their games against Mt Annan Christian School. Both teams recorded 6-0 wins. Kiah Evans and Rebecca McIntosh each scored two goals for the Stage 2 team. Lauren O'Sullivan was clinical in front of goal scoring five goals.

The Stage 2 Basketball team just couldn't finish their scoring opportunities, going down 40-6. The Stage 3 team never looked like getting beaten, winning 30-10.

Next week IPSSO games will be played at the College against Oran Park Anglican College. Stage 2 games will start at 12.10 pm and Stage 3 games will start at 1.00 pm.

Stage 3 Swimming

The swimming program will continue next week. If a student is unable to participate due to illness or another reason please write a note in their diary.

NASSA AFL

Congratulations to the Stage 3 AFL team for finishing 3rd at the NASSA AFL Gala Day last Thursday. It was a great day played in hot conditions at Greenway Reserve, West Hoxton. Unfortunately, the team was hindered by illness and injury, however they fought hard to win their games in the group stage and qualify for the semifinals. They were defeated in the semifinal but should be proud of their performances in difficult conditions.

Mr Stuart Houweling
Primary Sports Coordinator

Upcoming Events

Wednesday, 6 November

NSWPSSA Athletics

APPLICATION FOR ENROLMENT

Applications continue to pour in for 2020 and beyond across all year groups, but especially our entry years of Transition, Kindergarten, Year 7 and Year 11. All current College families looking to enrol siblings for the coming years are encouraged to do so without delay to avoid disappointment.

Application packs are available from the College Office or from the College website.

Mrs Kristy Biddle
Development Officer

TERM 4 WORKING BEE

Our Term 4 Working Bee is being held on Saturday, 9 November from 8.00 am and it would be great if you could come and help us knock over some of the jobs which need completing. We expect to get all the work done by the lunch time BBQ at 1.00 pm. After lunch we pack up and head home for a well earned rest.

- The Gardens around the College can be tidied up by weeding and mulching.
- We always try to find a garden to upgrade while we have the numbers to do it so stay tuned for an update next week.
- Drains around the College can be cleaned out
- The College carpark gutters can be swept or blown using the College back pack blower to rid them of leaves which can then be put on the gardens as compost.
- Rubbish can be picked up around the College field as well as other areas
- There are books to cover in Deakin 3 so we will need lots of volunteer book covering experts to assist on the day.

Between now and Saturday, 9 November, there could be more jobs found that need attending to so stay tuned to the Waratah Weekly for updates. Don't forget as we only have a limited supply of gardening tools and equipment is important that you bring your own gardening tools, gloves and anything else you think might help on the day.

Come along on the day and enjoy the company of others while working to make our College shine for another Term.

As always Morning Tea will be provided by Wollondilly Anglican Church and lunch will be provided by the P&F so come along with your tools and smiles with the intention of enjoying yourselves on the day.

Mr Fred Schroder
Property Manager

EXTRA CURRICULAR

A huge congratulations to Micah Rigg who passed his solo pilot exam last week. Micah's passion started when he was 12 years old and attended 'Wings over Illawarra' with his Grandad.

He began his pilot journey shortly afterwards and is now classified as a solo 'student pilot'. Micah is able to fly single engine aircraft solo across Camden and Wollondilly airspace. Well done Micah!

On Wednesday, 9 October, during the last College holidays, two Wollondilly Anglican College students from Year 9 went to the PACIFIC 2019 event at the Convention Centre in Sydney.

The PACIFIC 2019 Event is an international Naval Warfare Event where hundreds of companies gather to display their new technologies for the Naval Defence Industry. Joshua Phillips and Aaron Landrigan were invited to the event by the Naval Shipbuilding College along with 50 other students from across the country.

During the event they were given a tour of some of the various booths. These booths had displays of ship and submarines models, virtual reality experiences, and unmanned aircraft. A few noteworthy displays were Raytheon, who displayed a cruise missile and Northrop Grumman with both a virtual reality stand and an interactive animation.

After touring the booths, the group of students were then invited to have a private tour of the HMAS Adelaide, which is a Helicarrier based at Garden Island, Sydney. The students were escorted to the ship via landing craft and then proceeded to tour the ship. They visited rooms such as The Bridge, the Central Command Room, the Heavy Loading Deck, the Light Loading Deck and the Flight Deck.

COMMUNITY

- **Wollondilly Cares**

From time to time, families undergo trauma such as severe or terminal illness. There are short term **support structures in place at the College to assist families** during these times. The WACCares Program offers practical support such as meals for families. Please contact Mrs Hay at the College to assist. Confidentiality will be respected when requested.

- **South Western Sydney Reclaim the Night Event**

Where: Campbelltown Arts Centre
Time: 6.00 pm - 9.00 pm
When: Thursday, 31 October

- **Wollondilly Council - Annual Christmas Lights Competition**

Where: Christmas in the Gardens
When: Friday, 13 December
Time: 4.00 pm Twilight Markets then 8.30 pm outdoor movie
There will be a variety of food and general stalls, photos with Santa, jumping castles and face painting
For more information, please contact Council's event team on 4677 1100 or by email events@wollondilly.nsw.gov.au

- **Ladies of Wollondilly Anglican Church - Gingerbread House Night**

When: Saturday, 30 November
Where: St Stephen's Church - 79 Westbourne Ave, Thirlmere
Cost: \$30.00 per House
Tickets on sale until Friday, 22 November
Supper provided
Payment required before ticket issues
For more information Jeanelle 0408 414 080, Ruth 0414 786 004 or Lynnette 0458 343 280

Reverend Stephen Swanepoel

LEARNING - LOVING - LIVING

PRETEND HEADMASTERS

Pretend Headmasters - Pippa Turner (KF) and Lachlan Underwood (KM) are taking a break after their successful and well played day at the Golf Day and Ladies High Tea.

Prayer Points

Please Thank God:

- For the positive impact of the life of Mr Hazlewood on this College
- That in the saddest of times God is only a prayer away
- For the support of our sister school in Germany in a time of crisis - and especially the host families of our students - a hug is the same in all languages.
- For the great “vibes” evident at O Day with many new students and parents along with future prospective students and parents

Please Ask God:

- To be with Emily Hazlewood and the children as they adjust to life without their doting dad.
- To be with new staff as they prepare for a start at the College in 2020.
- To calm any nerves in the new students who are gearing up for a new start here in 2020.
- For calm nerves and clear thoughts for students as the 2019 HSC winds up.

Psalm 127:1 Unless the Lord builds the house, its builders labour in vain.

Excellence, Endurance, Eternity.
